CHAPTER ONE

TO MY PARTNER

Congratulations on choosing “Get the Job you Want...” as your new partner in landing the job that is best for you. I am confident that within a short time, you will be meeting the most important people in your field and building a network of friendships that will lead you to the best opportunities in your profession. At the same time, these strategies will help keep your spirits high and attitude bright, making you happier and more effective in your quest.

I have developed these techniques in my full time career, and I am now eager to show you how you can make good things happen for you. Of course, it is up to *you* to put these strategies and techniques into use. Remember, you are in control. Your decisions have consequences for your loved ones. These techniques will keep you in control, and help you make the best decisions for you and your family.

Every strategy and technique is designed to accomplish these 5 goals:

- 1) Keep your attitude positive, upbeat and sunny at all times.

- 2) Get you a meeting with the people who can help you the most.
- 3) Help you leave a great impression (not just a good one).
- 4) Help you gain new contacts with every meeting.
- 5) Help you establish an ongoing relationship with the people who can help you the most.

This book was prepared carefully and is designed to be easy to use. Please read it carefully and refer to it often. Stick to the strategies and techniques I've outlined, and they will work best for you.

It is would be easy to say that these techniques are the keys to success with our program. The fact is *you* hold the key to a successful career quest. Your attitude, your willingness to get involved in advancing yourself personally and professionally, is the most vital component that only you can control.

These strategies will help you get where you want to go. You can reach the heights!

The way to your dream job. No more posting resumes!
