Excellence in the Reborn Artistry

You, can transform a baby doll into a
"Precious, True To Life Artist Baby"
Where each and every Baby is a
"One Of A Kind" Original

REALISTIC Hair... Custom Reborn Babies can have the most AMAZINGLY Realistic head of hair imaginable. The mohair you should use is the more expensive premium mohair. This mohair is silky smooth with the feel & look of a real baby's hair. Micro-Rooted Hair can bring realistic results by hand rooting & sculpting your baby's hair, using special techniques, it is a VERY time consuming job, but you will feel and know that the end result was well worth the effort and time. It leaves the most Amazingly, Beautiful & Realistic head of hair imaginable.

There are many ways to root your baby's hair, using slight angles and circular motions. It all depends on the time commitment you are will to put in. The choice is really yours to make.

An Overview of Learn the Art: Case Study #6: Realistic Hand-Rooted Hair

In this case study, we will look at the needs of the vinyl Berenguer™ doll, and the silicone vinyl dolls. We will review the steps and techniques for both Basic Hair Rooting and Micro Hand Rooting. Creating incredibly realistic, micro-rooted hair is very time-consuming, yet is extremely versatile enabling numerous styling options for the baby. A micro-rooted baby's head can be gently washed, combed, and brushed to suit all your styling needs. And best of all, when done correctly, it is strong and durable ensuring a doll of heirloom quality.
