Hi! My name is Laoch (Lay-ock).

I'm a Guide Dog Puppy.

I'm still little, but I already know what I want to be when I grow up. *A Guide Dog for the blind!*

But right now I am enjoying running, barking, jumping, and playing with my brother and sister puppies.

Where I

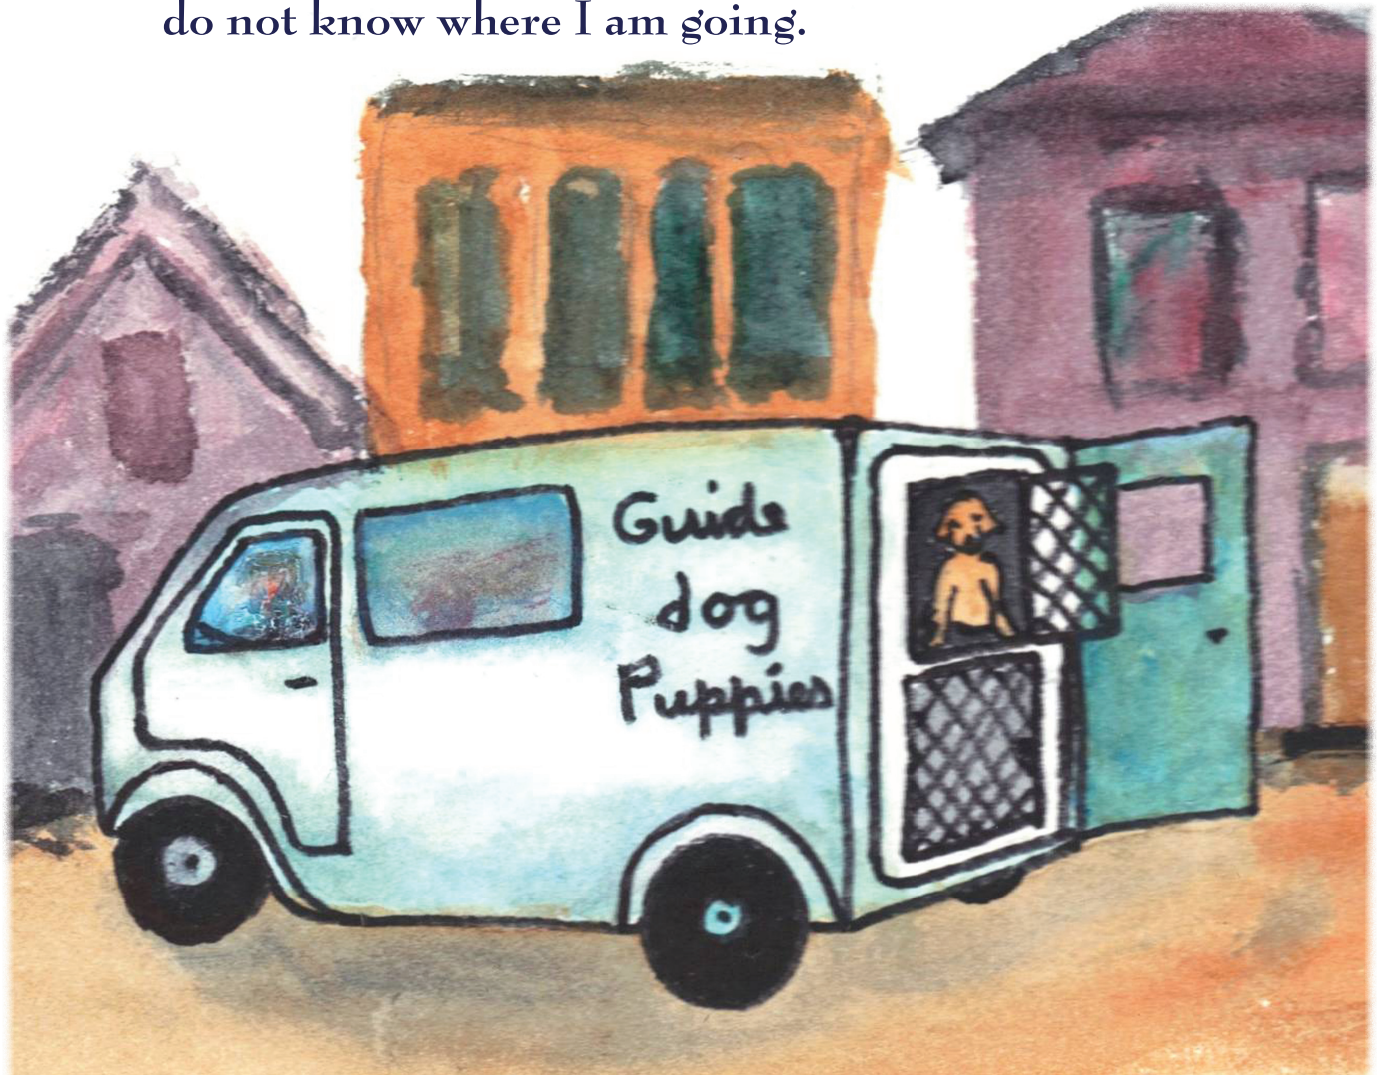

live there are lots of “puppy walkers” and “puppy huggers.” These people take me for walks and play with me so I get used to having people around. This is part of being raised as a guide dog puppy.

I will be staying here until I get a little bigger. And I think that is GREAT!

I am now 9 weeks old and it is time for me to go to my next home. Some of my brothers and sisters have already left. I will be seeing them again when I come back for my guide dog training.

They put me in a crate in the back of a van so I will be safe for my trip. I am a little frightened because I do not know where I am going.
