Spiritual Foundation

Do you have a spiritual foundation in Christ or is your foundation in the world?

Are you building your house on sand or stone?

Is your spiritual foundation shaky? Can a strong wind blow it away?

“Therefore, everyone who hears these words of mine and obeys them is like a wise man who built his house on a rock.

The rain fell, the floods came, and the winds blew and beat against that house, but it did not collapse because its foundation was on the rock.

Everyone who hears these words of mine and doesn't obey them is like a foolish man who built his house on sand.

PATRICIA A. ZORN

The rain poured down, the rivers flooded over, the wind blew hard against that house, and it fell. And what a terrible fall that was!" (Matthew 7:24-28)

When Jesus had finished saying all these things, the crowds were amazed by what he spoke, and those in attendance received Jesus' word of knowledge regarding one's spiritual foundation.

Jesus' simple teaching is still relevant today.

Building or rebuilding your prayer life is like designing a house.

The spiritual seeker who desires to build a new relationship in Christ, or develop a closer relationship with Christ must have a solid foundation to work with.

"For our struggle is not against a human opponent, but against rulers, against authorities, against cosmic powers in the darkness around us, against evil spiritual forces in the heavenly realm." (Ephesians 6:12)

If you have any reservations about what you are up against on a daily basis, just turn on your television or computer for confirmation. The negativity permeates the air like a foul smell coming from spoiled food left in the refrigerator past its expiration date.

Building a spiritual life involves bringing in that which is of Christ and releasing all that is not of God.

In order to start building a new foundation, re-building or re-furbishing your old foundation, you need quality spirit building materials and a powerful prayer life in order to withstand the trials and storms that come your way, so get ready!
