At the end of the field  
Was a fence of barbed wire

Which the cats crawled right through  
To find **EIGHT** old car tires.

"It's a junkyard," cried Iggy,  
"Perhaps we're in luck."  
They saw old smashed up cars,  
**NINE** doors, and a truck.

Mick said "I've still seen  
No sign of the birds."

Then his fur  
stood on end  
From a noise  
that he heard...

A growl came from behind  
A big pile of logs  
Then out jumped a pack  
of **TEN** junkyard dogs!

To save their **NINE** lives,

The cats would need cunning.)  
On **EIGHT** feline legs,  
To a pond they went running.

The dogs were not fooled,  
And they quickly gave chase

Past **SEVEN** green frogs and  
**SIX** flies the cats raced.

They came to a dock  
And found **FIVE** canoes

But as they embarked,  
**FOUR** dogs did so too.
