The Nude

The nude should not be in motion
A still life is what makes it art.
Implied movement stirs emotion
The nude should not be in motion.
A sculptor shows true devotion
Chipping away to form each part.
The nude should not be in motion
A still life is what makes it art.

Readers of traditional poetry who enjoy the sonnet, triolet, rondeau, sestina, and villanelle as well as ballads and modern forms of verse, will find solace in "The Catharsis of Form."
