A painting in a soft, painterly style. On the left, an elderly woman with short, curly white hair is shown in profile, looking down at a baby. Her face is lit with a gentle smile. On the right, a younger woman with vibrant red hair tied up is also looking down at the baby with a warm expression. The baby, wrapped in a white blanket, lies between them. The background is a warm, golden-brown color, suggesting a window or a soft light source. The overall mood is tender and intimate.

Streganonna came each day to hold  
Iris and rock her and sing to her.  
Every day Iris grew stronger.

*The Arrival of Iris Tallulah is a therapeutic and magical retelling of a birth story, for the purpose of healing trauma and transforming it into a blessing. It is a true recording of an experience from the authentic perspective of one who observes life through the lens of grace.*
