Everything Dreams

Trees dream of sunlight
promised by midnight wind

Promise dreams through osmosis
in cells of hydrogen cars

Cars dream in junkyards
to be born again

Those saved dream about
the afterlife

The afterlife dreams the afterlife
∞ works that way

This book works a different way
inheriting dreams from trees

in braille
because touch can make you blind

By perpetual night
in day-long dreams

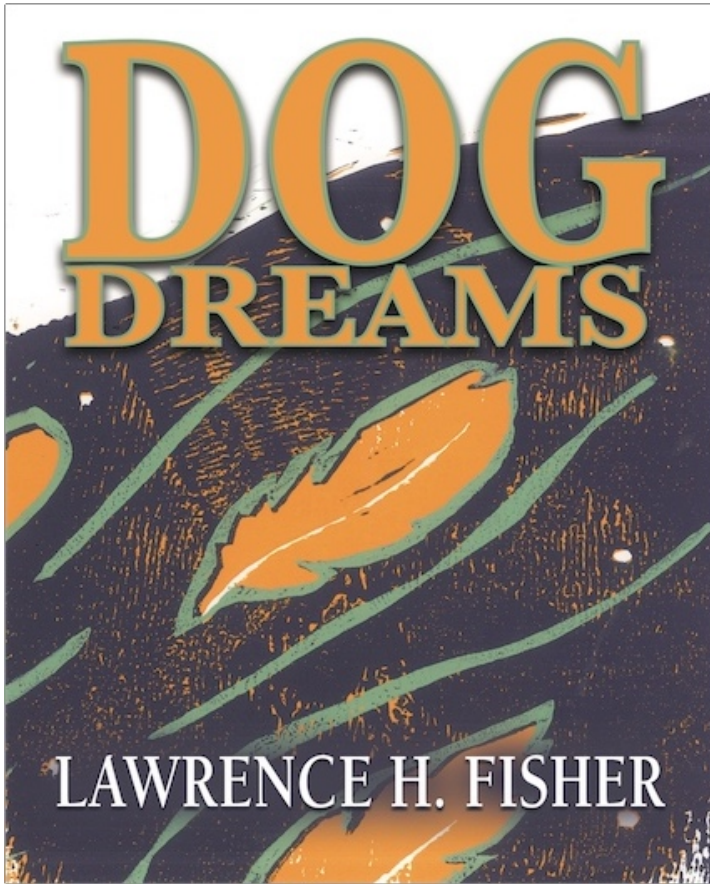

Days dream of everything
since everything dreams

Even death dreams
for no good reason

And no good reason dreams
the common denominator of all dreams....

But God-knows-what my dog dreams
his merle paws twitching, eyelids fluttering,

as the sun sets beneath pink clouds
into a dreamy ocean floor.
