The BIG MOVE!

My name is Bisi, I have one brother and one sister, and we live in a brick house.

One sunny day, my mom told us we were going to move to a big city called Abuja.

We lived in a small countryside town called Okene.

Okene is in a state called Kogi in Nigeria.

Our mom said it was a **BIG MOVE**

but we should not be afraid because God was with us.

She said we will make new friends and go to a new school.

We travelled five hours to this big city. It was a very long drive.

Abuja is a big and beautiful city.

It was so different from where we lived.

At night the city lights up so beautifully and bright.

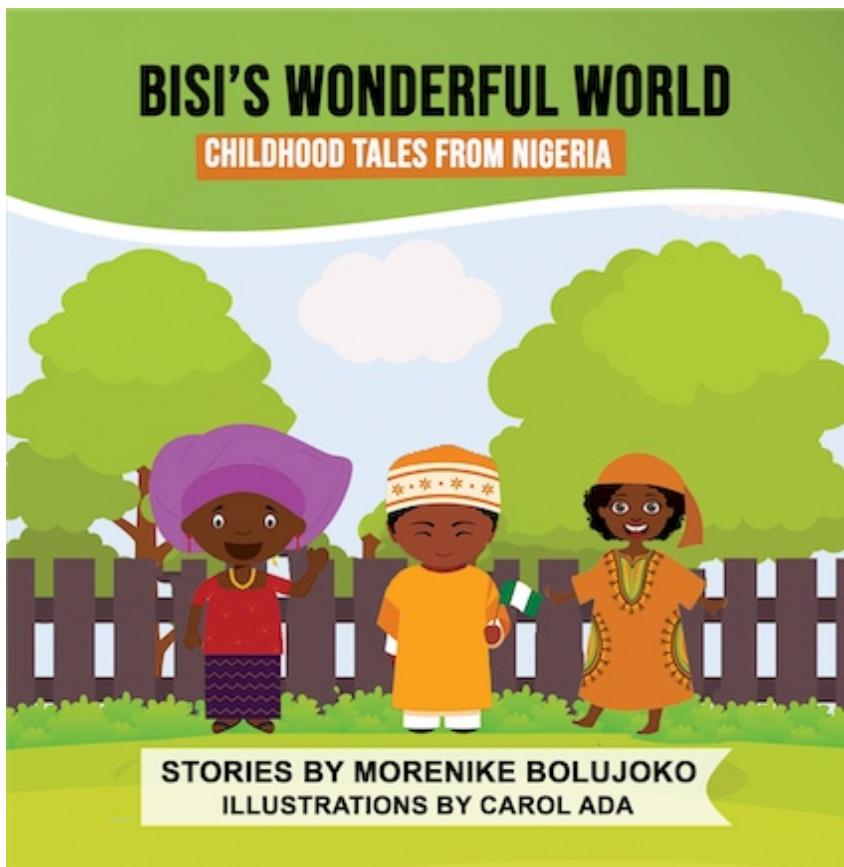

There are street lights and tall buildings everywhere.

My new school was GREAT and I made lots of new friends.

Mom was right after all. Moving can be scary,

but God is with us when we make **BIG MOVES**.
