

Now that Cutlets, Queen and I (King) are best buddies, things in the old castle are running pretty puurfect. We eat, sleep and play, all day, every day. AHHHHH, what more can I say about the Rock Star Life. So, we decided to stash Queen into the laundry closet so she could spy on the humans.

Hey there!

It's me KING, let me catch you up on a few things.

Queen, CUTLETS, and I are living up to our nicknames, the 3 amigos!

Who would imagine that 2 scat cats and a 4 legged beast would end up being best buddies?

No one is more shocked than I.

Don't get me wrong!

We have our moments when we get on each other's nerves.

Especially *Queen*.

One second she is happy and playful; and the next she is clawing your eyes out. CUTLETS and I run for cover and call out: "*Queenie* the Meanie!"

And we laugh our tails off!

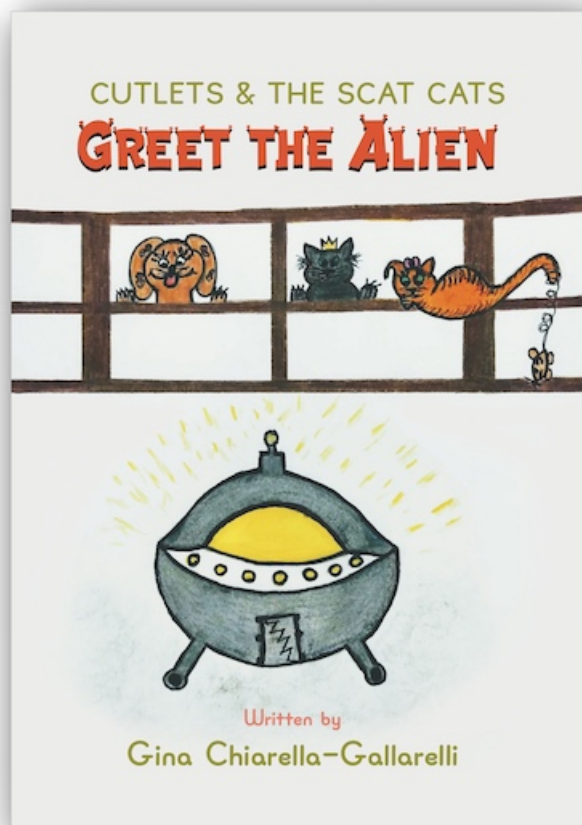

Besides the random attacks by *Queen*, things in the old castle are running nice and smoothly.

Queen and I like to hang out in the cellar and do our cat thing. We are still trying to catch that pesky rat.

When *CUTLETS* does his dog thing (chasing us around), the cellar becomes our safe spot. We stand at the gate and shake our tail feathers at him, knowing he can't get to us.

Now that Cutlets, Queen and I (King) are best buddies, things in the old castle are running pretty puurfect. We eat, sleep and play, all day, every day. AHHHHH, what more can I say about the Rock Star Life. So, we decided to stash Queen into the laundry closet so she could spy on the humans.
