This book is dedicated to my wonderful grandchildren,

Nana loves you!

Hi Kids, my name is Gail the Snail.

As you read this book look for me,  
count how many times you see me.

I'll be back at the end of the book to see how you did.

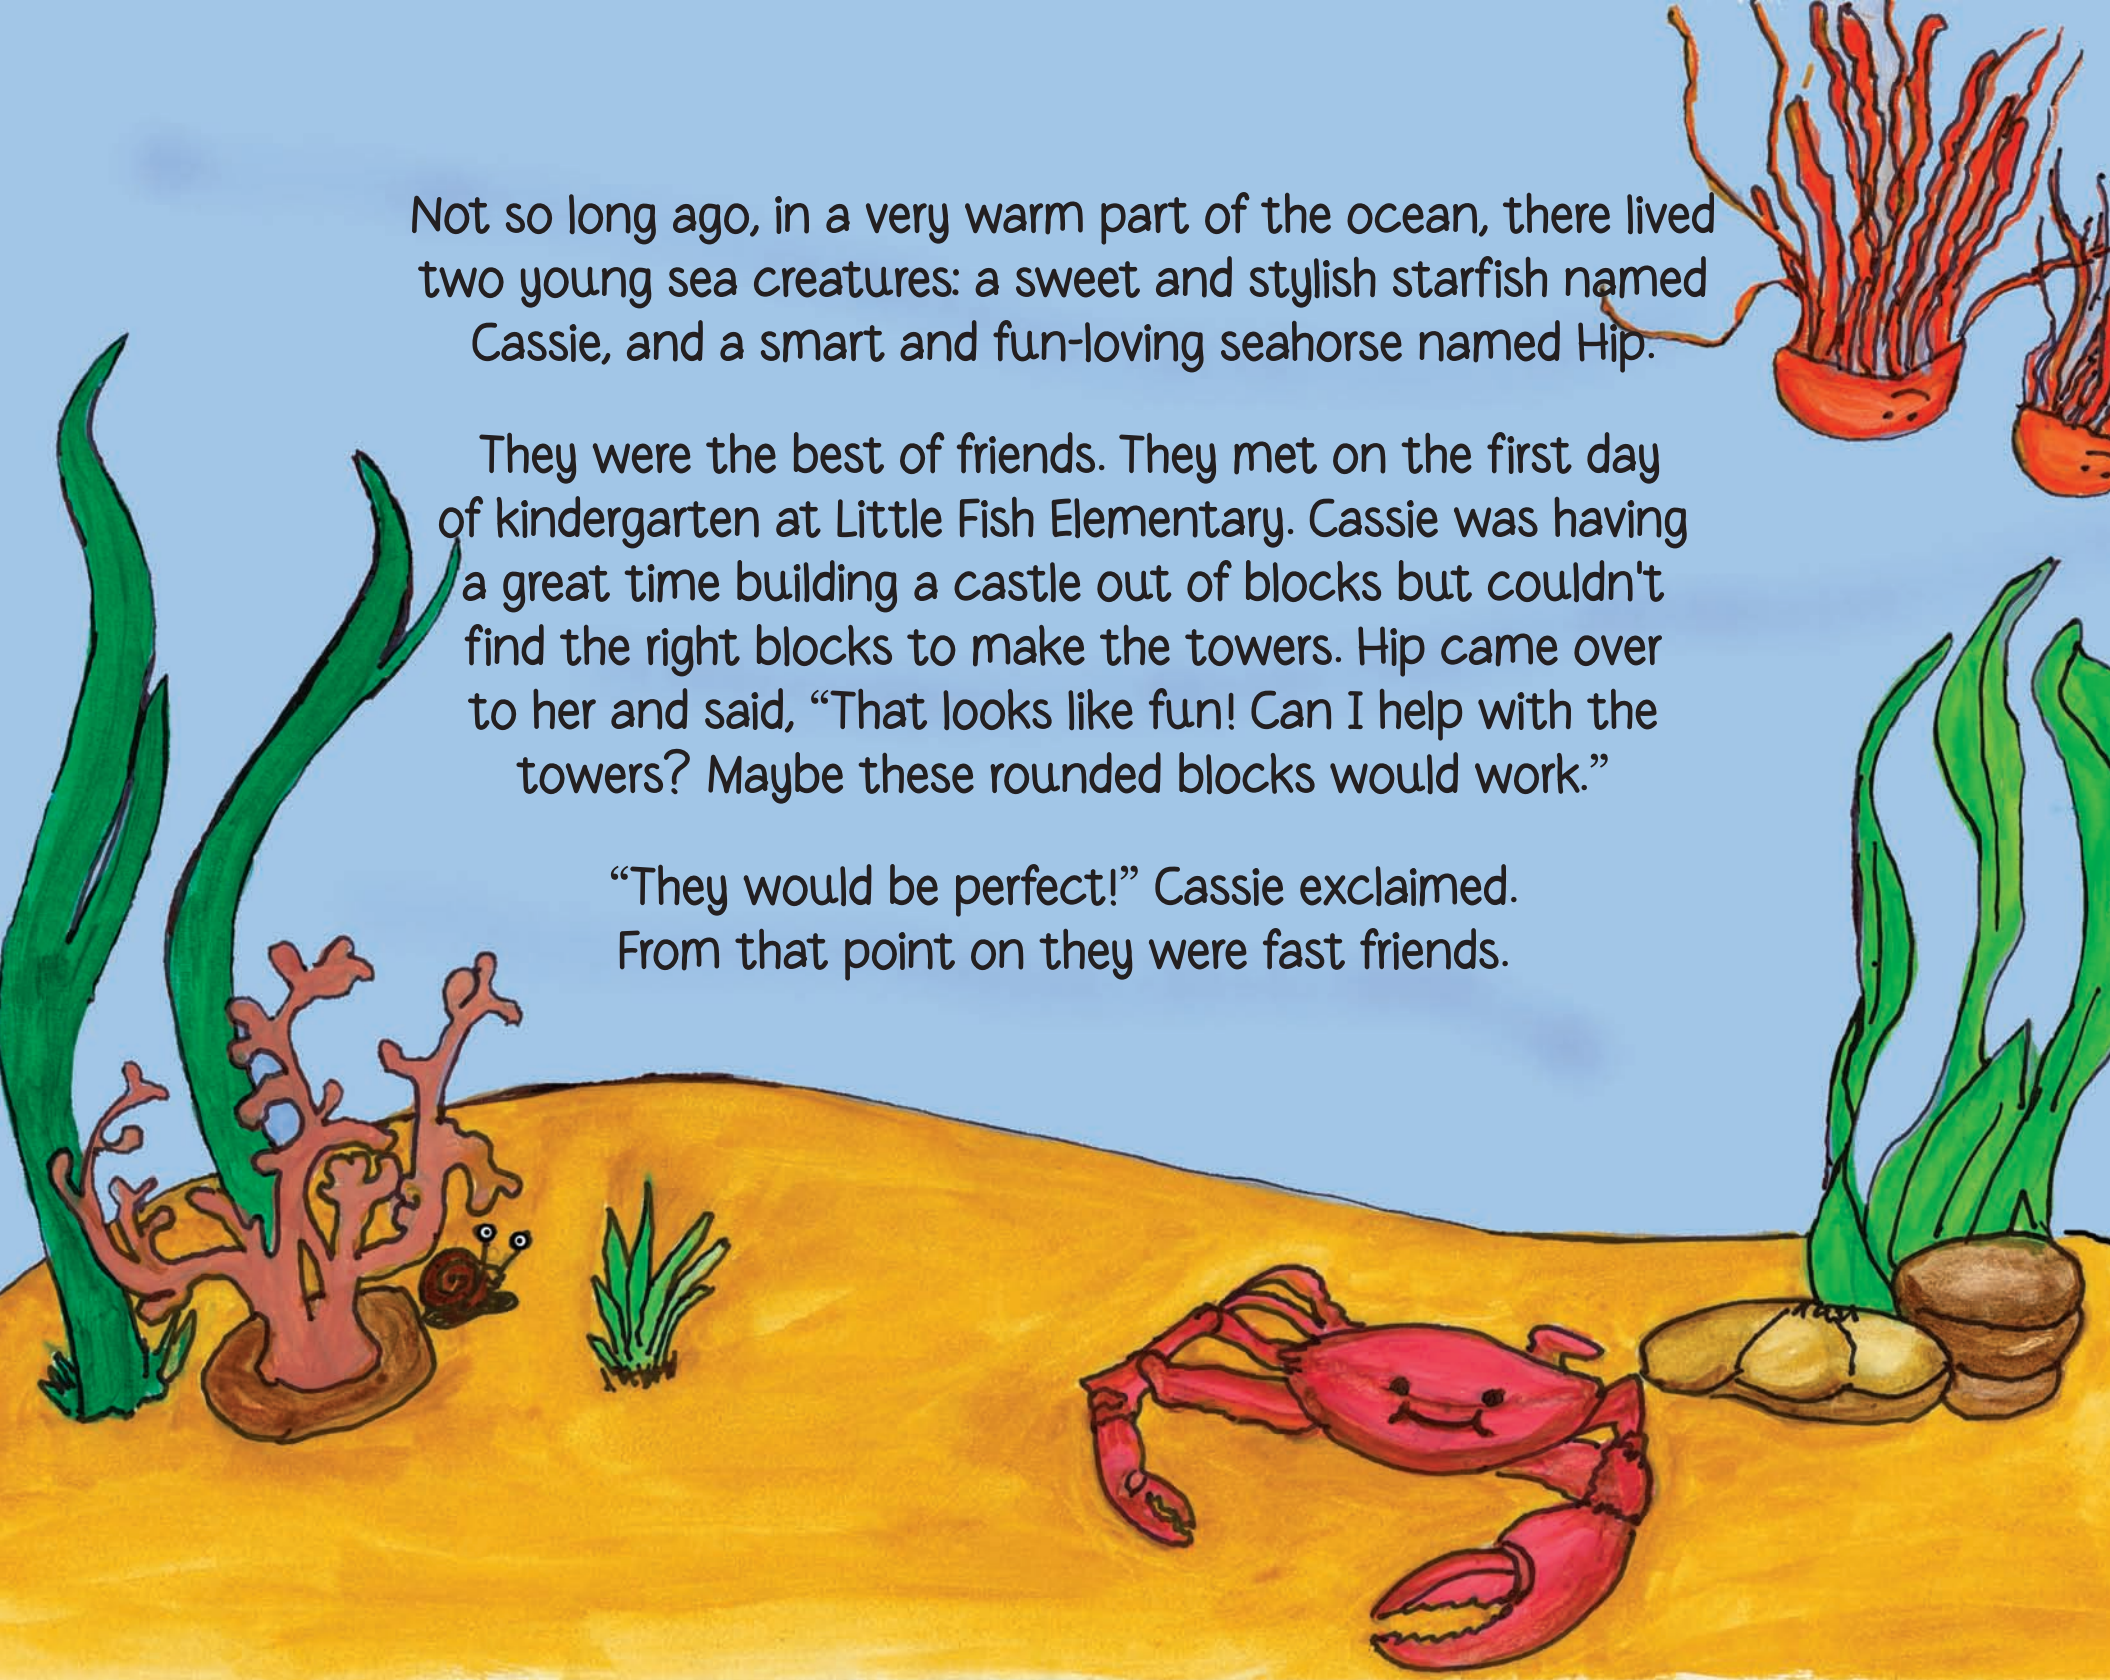

Not so long ago, in a very warm part of the ocean, there lived two young sea creatures: a sweet and stylish starfish named Cassie, and a smart and fun-loving seahorse named Hip.

They were the best of friends. They met on the first day of kindergarten at Little Fish Elementary. Cassie was having a great time building a castle out of blocks but couldn't find the right blocks to make the towers. Hip came over to her and said, "That looks like fun! Can I help with the towers? Maybe these rounded blocks would work."

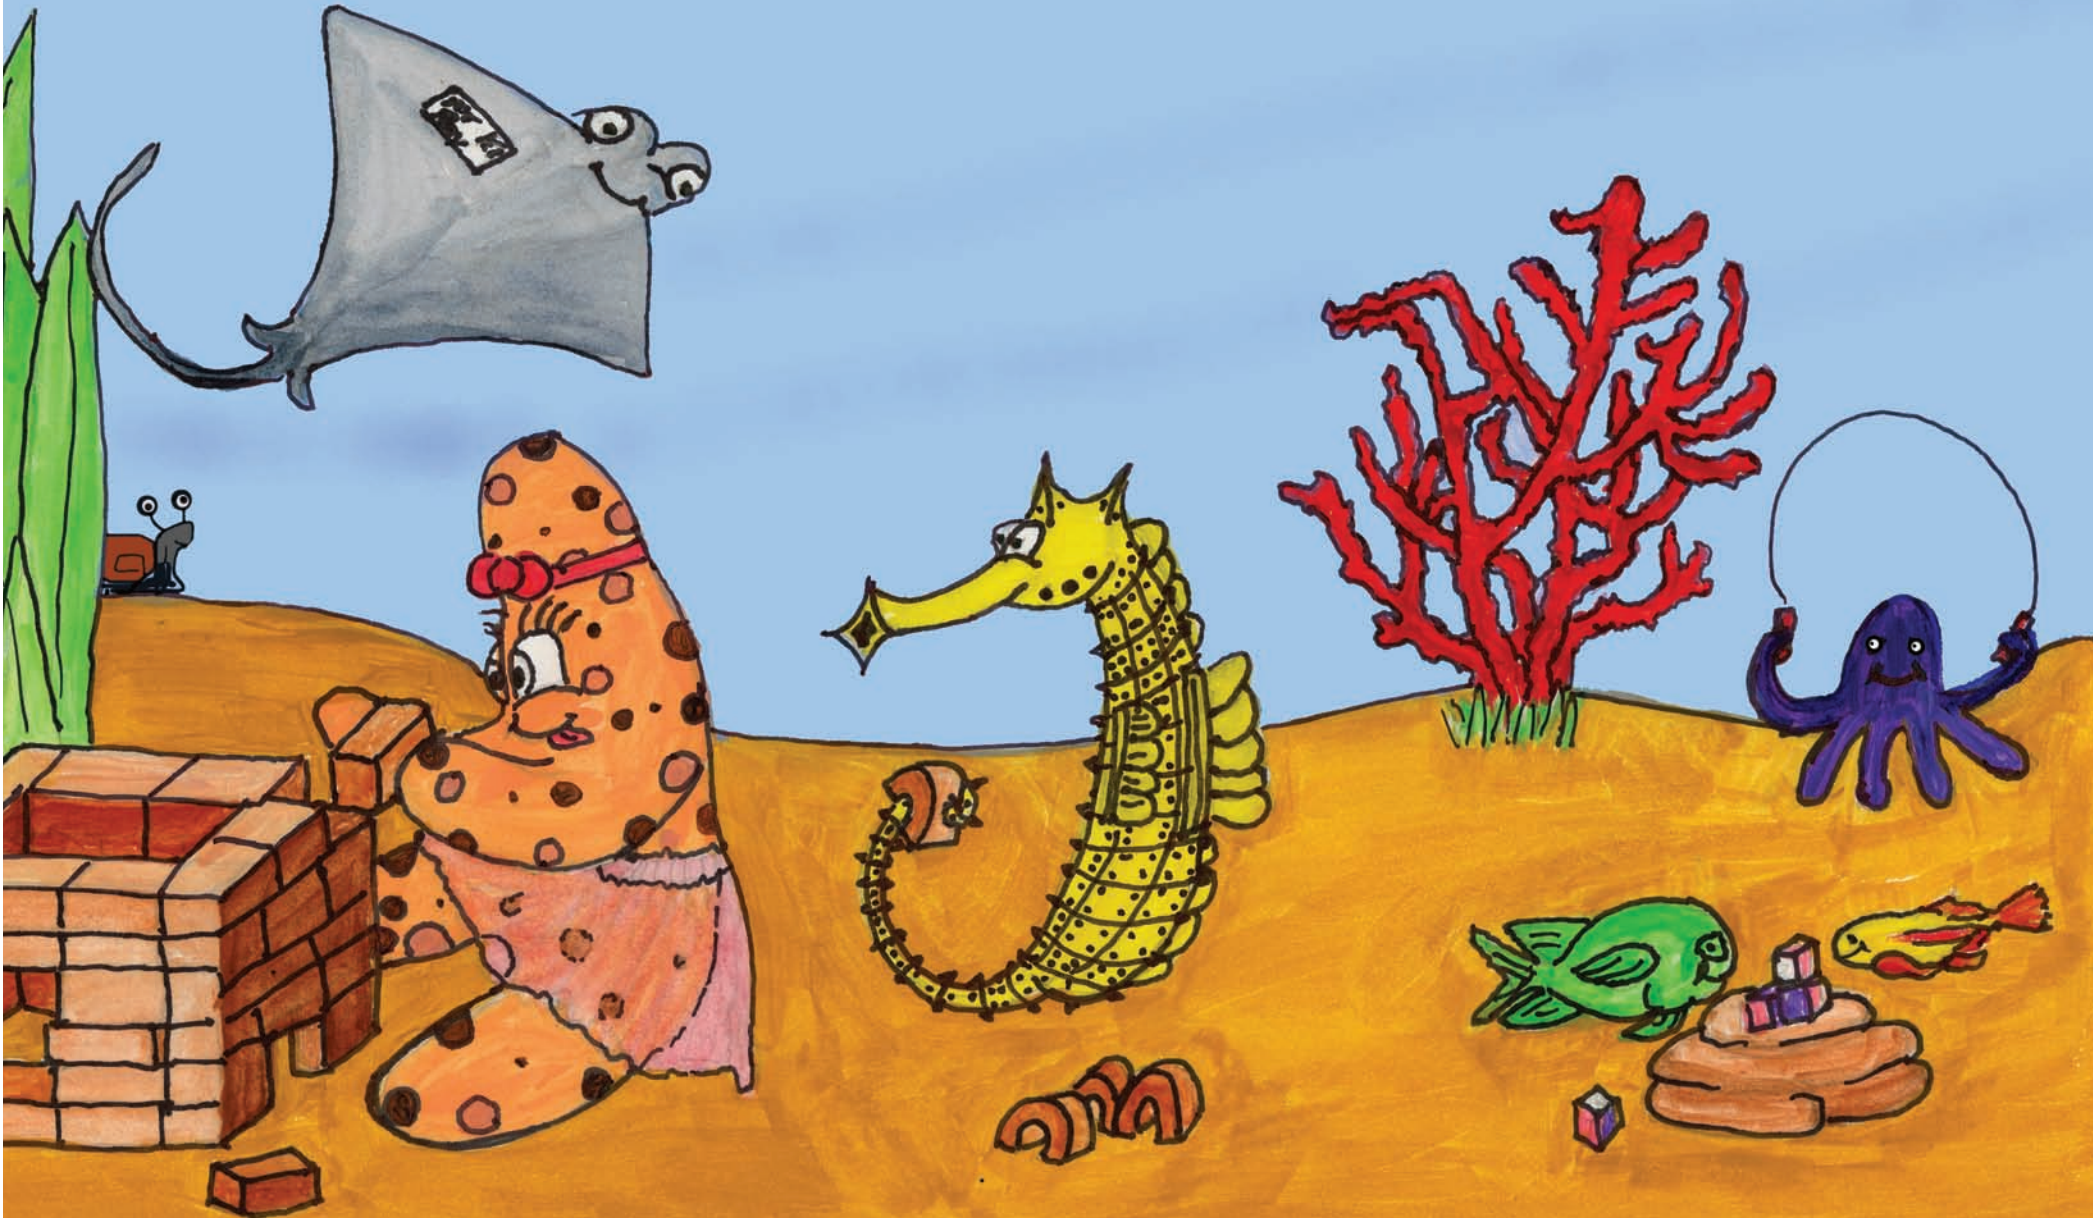

"They would be perfect!" Cassie exclaimed. From that point on they were fast friends.

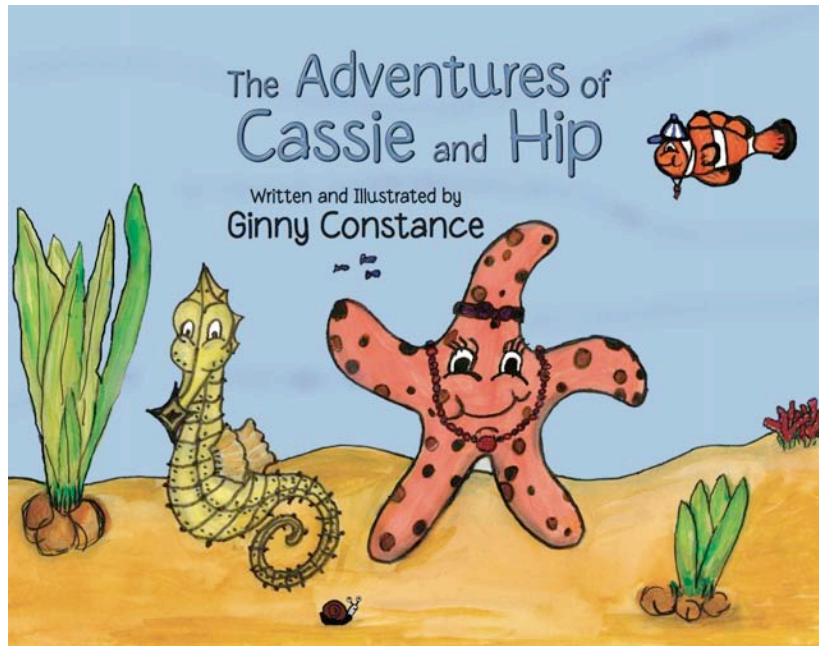

They walked to and from school together, ate lunch together, and played together on the weekends.

They were inseparable!
