First Edition

Spectra's been seeking seeds all spring and summer.
Different sizes, shapes, looks, feels ... seeds of all kinds!

*I could make these into **anything**, she thought.*
Which gave her an idea.

Perhaps her picture needed
one of these?

Perhaps not.

High up in a tree, she found
Grackle decorating his nest.

“I need those pretty rocks for my art,” she
told him. “You should give them to me.”

As she nodded off
listening to her
favorite music,
the sky grew dark.

About the Authors

Leslie Allyn and Dave Surratt write, paint, and talk to animals in Chapel Hill, North Carolina.

They both know childhood is a state from which we never quite escape — a knowledge that comes in handy when making books for people who happen to be actual children.
