Special thanks to my wife, Sarah, and our climbing kids, who inspire us every day!

Every year people come from all over the world to visit one of our favorite National Parks, Yosemite! They come to see tall waterfalls, giant trees, alpine meadows, abundant

wildlife, powerful rivers, and huge granite rock walls.
My family is eager to see Yosemite, but we are most excited
about going ROCK CLIMBING!

Yosemite is famous for rock climbing. Some of the best climbers in the world come to Yosemite to climb the big rock walls - like El Capitan, one of the biggest climbs in the world!

Becoming a good climber takes a lot of practice, strength, and skill. This is our first time climbing in Yosemite, but we've been practicing in the climbing gym near our house.
