It had been a month since Lilly found herself inside a trunk headed for the airport.

Lilly had jumped into the trunk when it was on the floor of her owners' bedroom. There were a few clothes inside, so Lilly dug down under the clothes and snuggled up for a nap.

Her mom, Emily, thought that her husband had taken Lilly to the doggie daycare and her dad, Jack, thought that Emily had taken Lilly to the doggie daycare. So, neither of them thought it was strange that they didn't see Lilly in the house.

Lilly was used to sleeping for hours and letting nothing disturb her.

While Lilly was sound asleep under the clothes, Jack came, added some more clothing and closed the trunk. After a few minutes, Jack said, "Let's go, Emily. We need to get to the airport so we don't miss our flight." So, they locked their luggage, loaded it into their car, and took off for the airport.
