## This is the story of an elf named Holly.

If you're not too familiar with elves, you might think that elves only live at the North Pole along with Santa Claus. That might be true, but in this case it isn't. I'm getting ahead of my story, so let me take a breath and let me go back and started from the beginning.

My name is Sam and I'm the head elf working with Santa Claus and I'm the one telling you the story about Holly. Boy did Santa and I have our hands full with this little elf.

*Holly is an elf in Santa's Workshop. She has no interest in making toys like all the other elves. This leaves Santa and Sam, his chief elf with a major problem.*
