*Attending*

## *Attending*

*Your breaths mark the rhythms of my day  
as Your silence, a paradox of Your  
Presence, masks Your majesty.*

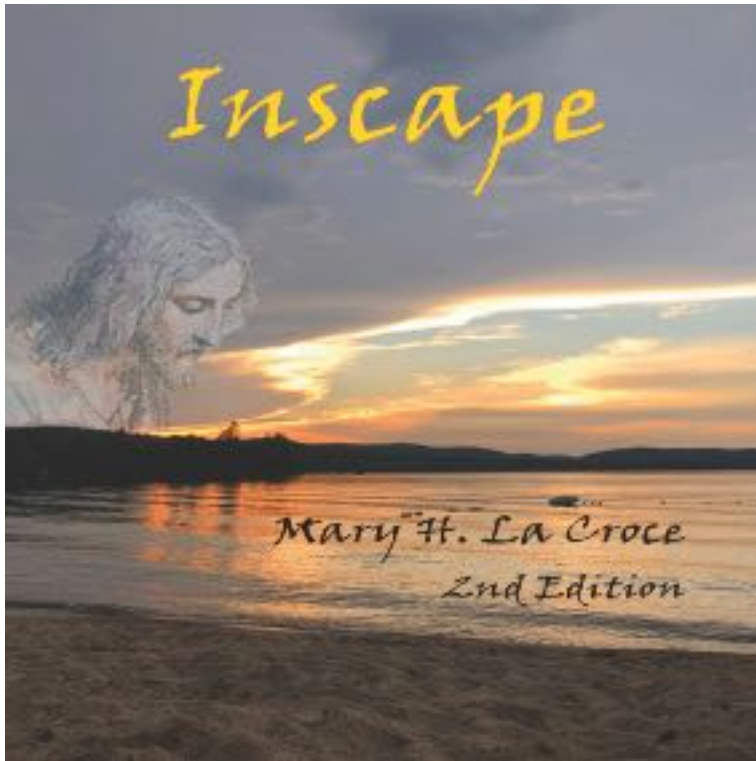

*I feel Your breath on the folds of night,  
Your pulse in the motions of time, as  
Your love  
individual  
for each one of us,  
as we are,*

*Calls to us.*

*Frees us.*

*Completes us.*

*Dialogues with God super-  
imposed on photos.*
