The background of the entire image is a vibrant, golden-hued landscape. In the center, a large, dark cross is silhouetted against a bright, sun-like glow that radiates outwards in many thin lines, creating a starburst effect. The sky is filled with soft, golden clouds. In the foreground, a dirt path leads from the bottom towards the cross. On this path, the silhouettes of a family of four—a man, a woman, and two children—are walking away from the viewer, holding hands. Their long shadows are cast on the path. The overall atmosphere is one of hope, faith, and a journey towards light.

I have come that they may have life and have it to the full (John 10:10).

Do you want to experience the abundant life Jesus promised in John 10:10? The Bible tells us that as a man thinks or believes in his heart so is he (Proverbs 23:19). If you believe in your heart that you are an overcomer in Christ, then you will act like an overcomer, and you will become an overcomer.

As an overcomer, we are introduced to many theories and concepts speaking to the totality of our civilization. After many years of scientific enlightenments, I have found that the Bible provides essential principles that we must build our life upon. If you are atheist, agnostic, or just ambivalent, give yourself a break and scientifically apply the principles the Bible has to offer. You can call your Power whatever you choose but choose you must.

God wants you to have victory in every area of your life; thus, I organized this simple, yet effective tool to help you set your thoughts on victory. When your thoughts are filled with victory, your actions and experiences will be filled with victory. Be diligent and not idle for your actions will glorify God or whatever Power you choose!

I suggest three characteristics of a Higher Power: (1) He must be Loving (2) He must be Caring (3) He must be Greater than you. For simplicity in this devotional, I will reference God as supreme. You can follow your own heart but do not be deceived by him who desires to confuse, entice, and query your authentic self.

God has promised to lead you into victory in every area of your life! It is my prayer that as you spend time with God for the next 30 days and discover the champion within you!

1

THINK THE WAY GOD THINKS

No man has ever seen, heard or even imagined the wonderful things God has in store for those who love the Lord (I Corinthians 2:9).

Life is quick and filled with trials and tribulations. No matter where you are in life right now, God has much more in store for you. God wants to take you to new levels in every area of your life. He wants to give you more wisdom so you can make better decisions. He wants to give you a stronger anointing so you can have greater influence. He wants to bless you financially so you can be a blessing to others.

Don't settle for "low-life" living - there's so much more to life! God has new frontiers for you to explore and higher mountains to climb. I can tell you with great confidence that your best days are right out in front of you! Be the great scientist within you. Begin today to think the way God thinks. The Bible says, "The path of the righteous grows brighter and brighter and brighter." Think globally, think increase, think big, think expansive!

Start expecting the unexpected and look at life through your eyes of faith. When you do, God will show up and begin to work things out in your favor. Take a step towards victory in your life today.

Prayer for Today:

Heavenly Father, I thank You for this day. I thank you in advance for the new opportunities You have in store for me. Grant me increase and victory in every area of my life. Teach me how to think like You and see myself the way You see me, so I can experience all You have for me today.

2

DEVELOP A VISION OF VICTORY

Behold I am doing a new thing. Can you not perceive it (Isaiah 43:19)?

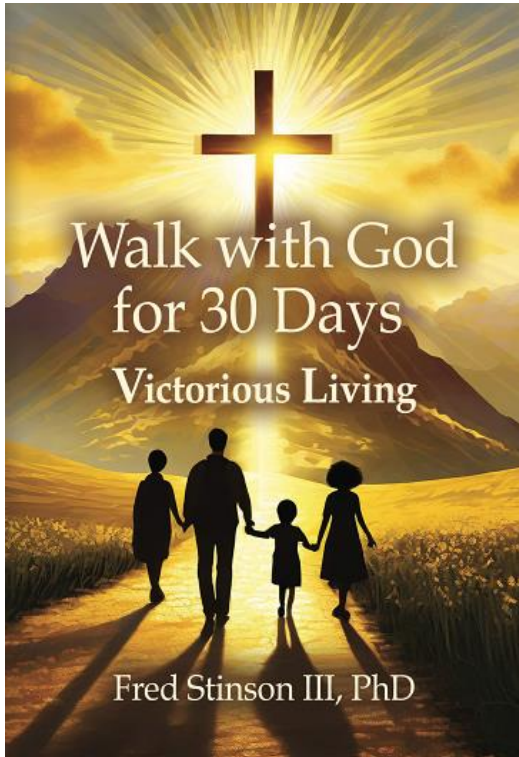

Stop wandering around aimlessly on this planet. Pursue a vision of victory for your life. Do you perceive victory in your every step? Are you living each day filled with faith and expectancy?

Today's verse doesn't say that God is going to do a new thing someday - He didn't say maybe next week or next month or next year. God said, I am doing something new in your life right now. Can you not perceive it? Use that scientific mind that God has given you and visualize increase. God wants to do something new in your life today. Let go of your old way of thinking and take hold of the new things God has for you!

God said in Jeremiah 29:11. "My plans for you are good and not evil." He wants you to prosper, to give you hope, and a future. His plans for you are good, regardless of what has happened in your past. God's plans will always be for your good! God can turn your setbacks to wonderful setups. He can take your tragedy and turn it into triumph. Get Ready, Get Ready! Let go of your past, seek God's plan, and develop that vision of victory for your life!

Prayer for Today:

Heavenly Father, thank You for Your plans for me today. My faith knows they will be good. Thank You for putting a vision of victory in my heart and mind. I ask that You help me put You first in all I do. Father, bless me in a special way so I can be a blessing to others today.
