Hi! I'm Uncle Eyeon.
I make stuff from iron
rocks.

An illustration of two cavemen in a dark cave. One caveman, with a beard and a grey tunic, sits on a log and tells a story to another caveman whose back is to the viewer. The scene is lit by a small fire on the right, and green foliage is visible in the shadows.

**Uncle Eyeon told a story
of a rock he found in a
cave on top of a hill.**

**Uncle Eyeon put the rock in the fire.
It melted and he learned how to make things with it!
He called it iron rock.**

When the sun rose the very next morning, Frrug led his friends Thumba and Stella to Uncle Eyeon's cave to find the iron rocks.

They knew that they had found the right cave because parts of the rocks shone in the early morning sun.
