CHAPTER 3

MGM GRAND GARDEN ARENA

My 3rd Stevie Concert was after I had moved to Las Vegas and became a Local there, and that's how I was able to get a 14th Row Floor Seat upgraded to the

Front Row!

Ok, the demographic and Set List of this Show was different from my other 2, as he started the Concert with Bird of Beauty from Fulfillingness' Album and then went right into Side 1 of Hotter Than July Album!

At this point, something extraordinary happened.

Iron Mike Tyson and Babyface Edmunds sat down next to me! I couldn't talk to them because of them being barricaded off from the crowd, but I met Mike before at Mary J. Blige's Show in the same Arena and he's actually a sweetheart and also I know that other Stars enter Concerts late in order to go unnoticed.

It was outstanding!

WONDERLOVE EXPERIENCES

It was 3 Hours approximately, no speech this time but Wonderlove did something during this Show that I never saw him do before and it freaked me out.

Ok, he climbed up onto the top of his Piano, and then, after balancing himself of the edge, he jumped down off of the Piano and back onto the Stage!

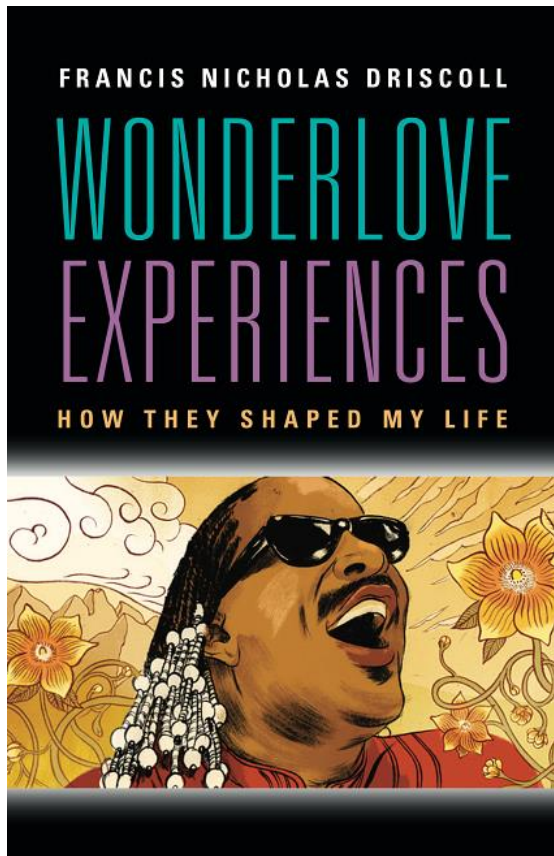

Without falling!

It almost gave me a heart attack but it was well rehearsed and planned out perfectly.

I could have done without that part though.

The highlight of this particular Wonderlove Show was without a doubt, You and I (We Can Conquer The World) which really hit me in the heart as it was one of my Dad's favorites.

A big Shout Out goes to MGM Grand Garden Arena's ushers for putting me that close to Stevie that night, they didn't have to, their staff is exemplary.
