Moon

Gray and white and silver
Orange and yellow
Pink and blue –
Many a face,
but always aglow,
watching over the river
A companion of light, comfort, and faithfulness
Season after age after eon
As it should be

The Crow

Listen to the ground
And to the wind
But when you *must* know
Listen to the crow
The crow watches and listens better than you
He watches over more, manages more,

knows more
Listen to the crow
