Teresa Rivenes, Author

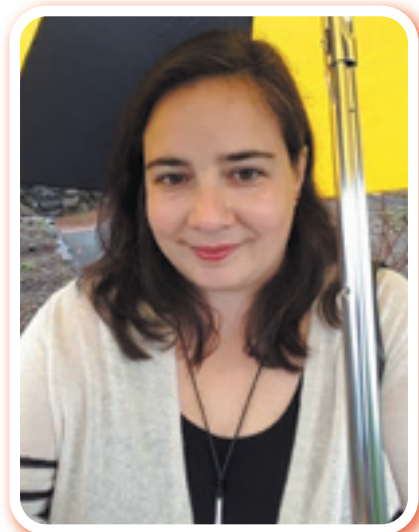

Teresa Rivenes is a teacher, an author, a daughter, a mom, and a wife, but her favorite title is that of grandma. She has seven children, the two youngest of whom are adopted. She has nine beautiful grandchildren that she says are the absolute best. She is also mom to two Bulldogges who run the place. When she is not working, cuddling with the dogs, writing, or loving on her grandkids, she can be found in the forests and on the beaches of Oregon.

No, son, you may not run away.
Why is that, you say?

Ali Mageehon, Illustrator

Ali Mageehon is an artist and illustrator who finds inspiration in the beauty of the natural world. Working mainly in watercolor and acrylic, Ali creates whimsical and detailed paintings that celebrate animals, plants, and everyday wonders. Her artwork has been featured on home goods, stationery, and gallery walls, and now she brings her love of storytelling through images to children's books. When she's not painting, Ali enjoys gardening, exploring new places, and spending time with her pets. She, too, thinks Oregon is one of the most beautiful places in the world and calls it home.
