CHAPTER 1:

Understanding the Calling of the Hour

The Broadhead Created for Targeted End-Time Prayer

The ways of old are finally laid to rest after decades of slowly receding. A fresh perspective is upon us and new waves of God's glory are engulfing the faithful remnant as they step into their eternal purpose.

A new (yet ancient) model for prayer and ministry is being revealed to us. This ancient model is bringing the remnant of the Lord's people together in one accord to glorify the One True God through the One Way, which is the blood of our Savior Yeshua.

This remnant community is being sharpened as a broadhead created for the arrow of a bow. It is the Huntsman who carries the proper arrow and broadhead for the hunt. The broadhead is multidimensional with sharp sides created for the kill. We are being formed together as one unit, each with a place that represents a piece of the broadhead. Each a multi-dimensional being. The broadhead represents the prayers and ministry of the saints who pray in union with each other and in the Godhead. Together, they do great damage to the kingdom of darkness.

The Omega Paradigm

These are not prayers of isolation nor a ministry of manipulation. This is the enduring word of God spoken and released through the yielded and honorable vessels. The enduring word is brought forth in union. Isolation is not the way of the new era. Co-operation is the model of the righteous. It is not a one-man show. We are being formed as a team and family who march in one accord and do not break ranks.

An altruistic nature enables them to pursue true indwelling of His presence in a unified body. They are consumed by a greater desire to conform to His image in union with their brethren and are not motivated by selfish gain. It is the collective wisdom and purpose of generations for the completion of the building of His people into one accord.

We are of an imperishable seed through the living and enduring Word of God. The Word of God is alive and active, sharper than any two-edged sword. In this age, the Word will go forth effectively through co-operative efforts. As the Word is released, the atmosphere is changed, and the people begin to be rooted deeply in that enduring Word.

The enemy has attempted to make a mockery out of the Christian culture; however, a true and sharp Word is returning. It is a word released through a community that will pierce through the darkness. It is sharper than a two-edged sword; it is a three-fold, multi-dimensional broadhead that will slice through and divide like soul from spirit.

Engagement with Christ

In Hosea chapter 2, God renews His covenant with Israel, promising a marriage characterized by loving-kindness, tenderness, righteousness, and justice, and portraying the union built in engagement with Christ. This passage reads like a melody that calls for eternal betrothal and is expressed in millennial language, introducing the safety and peace that God's creation will experience in the coming age.

“Bow and sword of battle, I will shatter from the earth to make them lie down safely. I will betroth you to Me forever. Yes, I will betroth you to Me in righteousness and justice, lovingkindness and mercy. I will betroth you to Me in faithfulness, and you shall know the Lord. It shall come to pass in that day that I will answer,” says the Lord. “I will answer the heavens, and they shall answer the earth. The earth shall answer with grain, with new wine, and with oil.” —Hosea 2:18-22

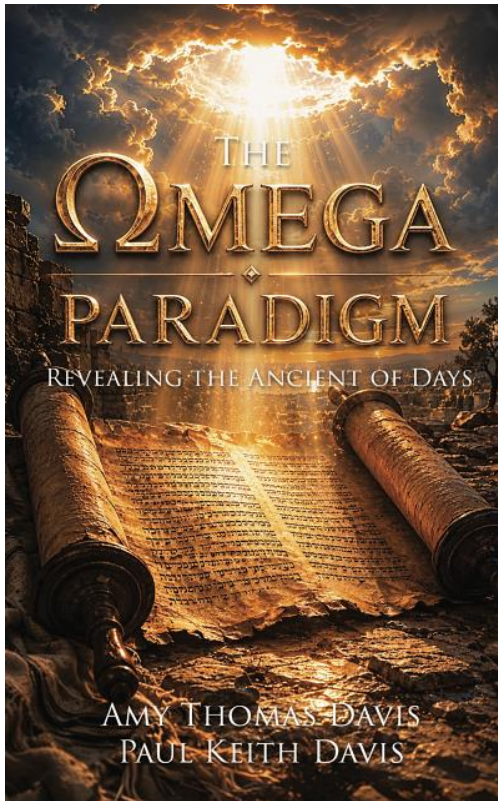

The Earth groans for the fulfillment of every New Covenant promise, which is our inheritance. The new grain, new wine, and oil extend beyond this age into the age to come and the age of infinity. Grain is for the harvest of righteousness, while the wine and oil represent the Spirit of the Lord and His name. He is unveiling the essence of His name as a reward for those who overcome.

Furthermore, He reveals the remarkable truth about our engagement with Christ as we interact with Him in realms of glory for provision, restoration, and betrothal. The Lord says

The Omega Paradigm

He will answer the prayer from the heavens, who answers the cry of the Earth, which cries for new hope and new promises.

This passage resembles the proclamation from the prophet Isaiah, which serves as a model and a guideline for Omega Prayer and Omega lifestyle as we cooperate with God and His messengers to release His Words that establish the heavens, found the earth, and say to Zion, “You are My people.” (Isaiah 51:16) This is engagement with Christ.

The Omega Paradigm is a shift that causes the remnant of the age to enter into the revelation of their destiny. Hidden truths will be revealed, bringing freedom from religious prisons, while establishing you in truth and intimacy with God.
