## Chapter 1

# Something in the Air

Hans yawned. He was enjoying the warm summer sunshine on his back as he napped in the cool, green grass. His eyes half opened, he watched as an ant crawled around on a leaf lying on the ground. Back and forth the little ant scurried. It seemed to be in a great hurry running back and forth across that leaf. Suddenly a nice breeze came by and picked up the leaf, ant and all, and blew it across the yard.

Hans wondered what it would be like to be sitting on a comfortable spot and be suddenly picked up and float through the air.

Just then Mookie came running by, very excited about something he had heard.
