The Lord told Daniel to seal the words till the “time of the end”. What did Daniel seal? And what did the Lord mean by “the time of the end?” Is there a path to the date of the RAPTURE, *Yes*.

This book is about unraveling the end-time scriptures found in the books of Daniel, Revelation, Matthew and II Thessalonians, and about where we are in Bible prophecy, how much time is left and most importantly, it is about scriptures that so many people have overlooked. The information in this book will take you on a tour of these prophecies and show you the timing of noted events that will happen in the last seven years. You will definitely be astounded as you read about the precise timing of events, including the rapture of the church, and America and her final days prior to the coming of Christ. This work took years to unravel but once you see how these scriptures fit together you will say, “Why didn’t I see that?” These prophecies are telling you to be prepared for the coming war, the fall of America, and the date of the rapture. The fall of America and the rapture are forever linked, when America falls and is on her knees Jesus returns for His bride!

The above-mentioned event dates were sealed by God the Father 2500 years ago when He told Daniel to seal the words (Daniel 12:4,9) till the time of the end. These words have now been unsealed. God the Father also left a matrix of His perfect

and completion number to prove that what was unsealed was of His authorship.

In this book the prophecies and story were started with the books of Daniel (12:6-8) and Revelation (14:6-12,) but you will see after reading all the connecting scriptures, that it could have been started from any of the four books mentioned above. The prophecies fit together like hand and glove. Amazing is the fact that these prophecies concerning America were written for the Bible by John the Revelator around the year AD 96; Daniel was written around 534 BC; Matthew was written AD 58-68, and II Thessalonians 2 was written by Paul around AD 54.

The information found in these pages proves these prophecies. They cannot be interpreted any other way. This Judgment will happen at the time stated in the prophecies. The information in this book proves this story and is available to all that really want to know the truth. If you really want to know the future you must study these scriptures. Daniel 11:33 says, "They that understand among the people shall instruct many." In the end-time be an instructor and you will be blessed beyond your knowledge!

This is a final warning! Daniel 12:4 says, "But thou O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased." Five verses later, he reiterates in Daniel 12:9, "And he said, go thy way, Daniel: for the words are closed up and sealed till the time of the end". This information also

proves that God does exist, and that the Bible is correct and is the Word of God. We promise this book will astound you. If you are a Christian you need to know these prophecies and scriptures. The well-being of your family deserves as much. If you are a pastor you must know these prophecies and scriptures. Your congregations deserve to hear from you.

Chapter 1: The Return of Jesus Christ

If I were to tell you that Jesus will be back on a certain date, what would you say? Well, you'd probably say **“no one can know the date”**, right? And I would say where did you get that from? And you would probably say Matthew 24:36, right? Where Jesus said only **my father in heaven knows the date, no not even the angels**, right? So far so good and I agree with 24:36 a very correct statement but you said, **no one can know the date**, right? Jesus never said **“no one could know”**, He said only His father knew. You then need to show me the verse in the bible where it says that **no one can know!** Can't do that can you as there is no verse in the bible that says **you can't know**.

What you are telling me then is that you are taking something that Jesus said and twisting it to something you have heard others say or taking it out of context, right? It's been taken out of context for 2000 years! What Jesus said when He was talking to the disciples was **that His father “only” knew the date and no one else knew the date “then”**, right? This statement by Jesus was made about 2000 years ago, was that prior to the Old Testament? No! Was that prior to the New Testament? Yes! Did Jesus in His earthly form author the Old Testament? No! Did Jesus ever say, I only know what the father gives to me? Yes! If Jesus knew everything He would have known the date, right? If I wanted to know what the

father authored prior to Jesus where would I look? I would look in the **Old Testament**.

And where in the (OT) would I look? Well, I would start with the only chapter in the bible (OT) Daniel 12, this was written 500 years prior to Jesus and authored by the God the father, **Daniel 12:4 & 9 seal the words till “the time of the end”**. **Do I now have your attention?** Why are words or days not listed in Daniel 12 vs. 4 & 9, and also empty in vs. 7-8 where it says times, time and ½ a time? However, spelled out in 11 and 12, and spelled out in Revelation 11:3 & 9. The Lord is telling you there is more that will be unsealed at “the time of the end”. There had to be a reason for the days and somewhere there had to be a starting point! Wouldn't you agree? There is a starting point and that is part of what this book is all about. Daniel chapter 12 is God's last 7 year sealed time clock.

Now, if you can't possibly figure it out and many have tried, even the most learned Theologians have been unable to unseal chapter 12 of Daniel and what the Lord wants the Christians to know prior to His return. Everything unsealed and printed in this book is backed by God the father's perfect and completion number 7 and to my amazement how He covered America and the timing of His return is almost as awesome as the prophecy itself. He said seal the words till “the time of the end”, He did not say seal the words “forever”.

The good in this prophecy is God the father set the date of Jesus return 2500 years ago and the bad is that Babylon, (*America*), Babylon (*NYC*), that great city falls by way of

judgment for fornication/abortion in the middle of the last 7 years and America is out of business by the time of the rapture 3.5 years later, in fact, the fall is one of the reason for the rapture. Babylon America, Babylon that great city is the one taken out of the way at times, time and ½ a time or 3.5 years into the 7 year tribulation and then the man of sin is revealed 2 Thessalonians 2:7-8. America wins this war but ultimately loses the battle. Much more in the book! And the reason for the fall of America? Well, you can read it yourself in Revelation 14:8. That great city falls in judgment due to **FORNICATION** which leads to **ABORTION!**

He placed the path to the date of Christ return only to be opened at “the time of the end.” Had the date of His return been known it would have stymied daily salvation. Jesus did not know in His humanity nor was He made aware of the date of His return. God the father knew the Matthew 24:36 verse, only the father knows...would be carried on to all as “no one could know the time of His arrival”. Thus setting up daily salvation. This was not a lie in any way but was taken out of context and truthfully speaking until Daniel 12 was unsealed was a true statement that only His father knew.

I have waited for many years to get this message out and am ever so humbled to bring this to you.

God the father knew that Matthew 24:36 would be taken out of context and it would eventually be stated to the public “that you could **never know** the day of his arrival. If this had not happened there would possibly be no immediate daily

salvation. He always knew the date of His return and it was always in the bible to come forth at “the time of the end.” By burying the date of return He turned salvation into a daily recommended requirement. If you die without salvation you are lost. People have a tendency to put off salvation wanting to postpone it and if the Lord could come back at any time you would have a tendency to seek salvation sooner than later. But the devil never quits! What a mighty awesome God we serve. God is so awesome in His mercy that no one should be left behind!

Now with the advent of knowing the date of His return, brings up another problem, “**those not saved**” prior to the last 7 years “**now knowing**” the date of Christs return may again want to wait till the last minute, “*but wait*”, you now know the date of His return and if you are called and don’t respond to Gods call you may be in serious trouble as this might be your last call, 2 Thessalonians 2:10 & 11 states, that you may be sent a strong delusion that you will believe the lie, What lie? The devils lies, there is no God, no salvation! You now know this so if you were not saved prior to the last 7 years, “**now is the time for salvation**” you dare not wait. A calling during this last 7 year period may be your last calling with the possibility of being sent a strong delusion to believe the lie if you don’t answer the call. There will be no more callings.

If you will go to Chapter 12 of Daniel you will see 3 mentions of “days and also times, time and a ½ a time”. You will also find time “in days” in Revelation 11. As opposed to what all have been saying for 2000 years “there is” timing in the bible

and there is reasoning in this timing, “God the father” knew that in his “humanity” He would not know when He would return, thus He gave to Jesus only what He wanted Him to have, thus salvation **“is for the present not tomorrow”** as “Jesus could return at any time”. Also the covering of America for the very reason that if He didn’t cover America (America is the timing to the rapture and is found through the timing) everyone through the Ages would know when the end would come which also includes the day of His arrival. You will see this as you read this information verified through the bible and connecting it with “His proof” of authorship.

God the father knew that no one would believe this or other writings if He did not place “proof” this was His work and not mine. The message and proof of this is beyond our capability, want or need to do! Only He could accomplish this. See the Matrix, the Time Clock and the Incredible Sevens in the book for Proof of His authorship and not mine!

Every Christian knows that Jesus is coming to claim His own but are not aware of the actual date. 18 years ago when I started a search for America, I did not search for the timing of the rapture, only America, as I like everyone else just figured you could not know the exact date of His return. I looked at America in this way, **my God would not author a bible for all of humanity without including the greatest gospel preaching nation on earth, “how about yours”?**

An acquaintance of mine found the first mention of America in the book of Daniel 7:4 Independence Day. I have found 5

more prophecies or different writings about America since and they lead to a very unpleasant end time picture for America but a great future for the holy people, the Christians. Not only did I find America and the start date of WW111 and the reason for that war but also the date of the rapture!

Revelation 14:6-13 is an inline schedule of events as noted by Angel 1, 2 and 3 Judgment has come, Babylon (*America*), Babylon (*New York City*) that great city has fallen, do not worship the beast! At first glance this is just a bunch of words but in the “timing” and wording it’s proven to be (NYC) and happening prior to the reign of the anti-Christ. There is no other great city that would equal (NYC). Our God is warning the Christians of this event, even giving us the date and time this will happen, and the starting date of WW111 and the participants.

I had been wrestling with (NYC) for a number of years and on January 22, 2019 (NYC) passed the **first abortion to birth bill** and I knew instantly why it was (NYC). There is no way around it. WW111 will start with the destruction of (NYC) on a given day, that date is **Friday March 15,2024** at noon. Daniel 12:6-8, **“This is Gods Judgment on America” for fornication/abortion!** I am but a mere messenger believing there will be an exodus from this great city the likes that would make the exodus of the Hebrews from Egypt pale in comparison and will start the greatest crusade for Christ the world has ever seen. True believers will leave the city! Others most likely not!

WW111 starts the shattering of America's power (Daniel 12:6-8) and will be completely shattered by the time of the rapture 3.5 years later. Thus, the reason for the rapture of the saints, God will take His church home, hallelujah. At that point America is out of business so to speak. From this 9:27 treaty date of September 15, 2020 there is 3.5 years or time left to prepare for the timing of this horrible event the exodus of (NYC). There is much more to this in the following chapters of the book that will walk you through the bible with proof.

I take no measure for what God has placed before us, I am as dumbfounded as you will be once you have time to digest what is written here and I wish I were there right now to pray with you, assuredly you all are in my prayers daily!

If you're not saved by all means don't walk, run to the nearest alter, repent of your sins (you can repent in your home, car or wherever you are as long as you have a heartfelt repentance, receive Jesus, and turn from your old ways!) and then get baptized (most any Pentecostal church has facilities for baptism) in the name of Jesus Christ for the remission of sins and you will be ready to fly away to an eternity you cannot possibly imagine. God bless, see you on the other side!

"Now knowing" the date of Jesus return it would only be fitting that we should all be present outside waiting and praying for His return on that day and every day. It could even be a celebration of His coming and your last earthly meal with all of your friends. We need a welcome fit for the King of

Kings and Lord of Lords! Let's make that happen. There will be much more on this as time gets closer to the day of arrival! Jesus said I come as a thief in the night meaning His coming will be at the last trump, the end of the 7 years at midnight! That date again is **Wednesday September 15, 2027**. He will be a thief only to those that do not know Him.

You will find the proof of the date of His return in the chapters of this book, The Matrix and God's Time Clock and the Incredible 7's.

A short note on that day, I would love to see a mega search light at every Christian church shining toward heaven in our nation or any nation to let Jesus know how much we love Him for what He has done for us. "**Light up America, for Jesus,**" might be the slogan.

On that final day of the rapture we Christians win big time!

Chapter 5: America the Beginning!

Daniel 7:4: And the wings were plucked from the lion and made to stand on its feet as a man! *Interpretation: And the (eagle) wings (America) were plucked from the lion (Great Britain) and made to stand on its feet as a man (Uncle Sam)!*

Vision of the Four Great Beasts:

Daniel 7:1-8 “In the first year of Belshazzar king of Babylon, Daniel had a dream and visions of his head upon his bed: then he wrote the dream, and told the sum of the matters. ² Daniel spake and said, I saw in my vision by night, and behold, the four winds of the heaven strove upon the great sea. ³ And four great beasts came up from the sea, diverse one from another. ⁴ The first was like a lion, and had eagle’s wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth and made stand upon the feet as a man, and a man’s heart was given to it. *This is clearly America and Uncle Sam.*

⁵ “And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it: ‘Arise, devour much flesh!’

⁶ “After this I beheld, and lo another, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads, and dominion was given to it. ⁷ After this I saw in the night visions, and behold, a fourth beast, dreadful and

terrible, and strong exceedingly, and it had great iron teeth: it devoured and break in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns. ⁸I considered the horns, and behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of a man, and a mouth speaking great things.”

How awesome is it that with all of the various writers of the Bible and even before America was founded, the date of our independence and the first mention of America was placed in the Bible for all to see. The chances of this happening are so incredible that I can't imagine the odds. But nothing is impossible with GOD!

If America Ever Ceases to Be Good

The words of Alexis De Tocqueville sound a deafening alarm:

“I sought for the key to the greatness and genius of America in her harbors; in her fertile fields and boundless forests; in her rich mines and vast world commerce; in her public-school system and institutions of learning. I sought for it in her democratic Congress and in her matchless Constitution. Not until I went into the churches of America and heard her pulpits flame with righteousness did I understand the secret of her genius and power. America is great because America is good,

and if America ever ceases to be good, America will cease to be great." - (Alexis de Tocqueville - from Democracy in America)

Alexis de Tocqueville was a French statesman and philosopher who toured the United States with Gustave de Beaumont in the 1830's, observing America's culture and institutions. His two-volume work entitled Democracy in America paints a stunning picture of the greatness of our country through the eyes of two Europeans who had never experienced a true democratic republic. DeTocqueville's writings are filled to overflowing with references to America's morality and decidedly Christian basis as being the reason for her greatness.

These two Frenchmen knew, as did our founding fathers, that no government or social system can exist in perpetuity without the guide of moral restraint in the lives of the citizenry. They knew the truth of Proverbs 14:34, which states, "Righteousness exalts a nation: but sin is a reproach to any people." They saw in America a greatness which was the direct result of a people who believed in moral responsibility and righteous living; indeed, they saw an America that barely exists in 2010. De Tocqueville was correct in his assessment that America would cease to be great if she ceased to be good. When a nation decides to be free from religion as the U.S. has done, it brings upon itself consequences that were never imagined. It's a nice thought to believe that a society devoid of religious standards is one where all people are tolerant and everyone gets along just fine, but reality bites. Where there is

no religious standard of moral conduct, every man is left to fend for himself, and every man then does what he thinks is best regardless of how it affects those around him. As morally bankrupt attitudes invade, and then pervade a society, the inevitable result is social, cultural, and political decay.

Can anyone cite an example in all of world history to the contrary? What de Tocqueville and Beaumont recognized is that our democracy was held together by the common belief among citizens that each one had the responsibility to live a life of **moral righteousness**. Such well-known religious principles as honesty, integrity, kindness, charity, and benevolence held together a melting pot of people from different lands and cultures. The common belief in individual liberty as well as the principles of decency, justice, and honor held together government institutions which believed their authority was given them by God.

And America was great. America was to the modern world what Solomon's Israel was to the ancient Middle East. Kings and princes came to our shores as the Queen of Sheba visited Jerusalem, only to depart in awe and wonder at the observation of God's extensive blessing upon our land. I do believe the finest days of our country are in its past, yet I also believe still finer days could be in our future if we returned to what made us great.

Can America survive if her foundational institutions of marriage, family, and community continue down the primrose path of destruction? Can a nation of ever increasing welfare

rolls and government dependence ever regain the lost greatness of its "pull yourself up by the bootstraps" ancestors? Will a nation which condones perversion, **murder**, greed, **abortion**, moral relativism, and humanism exist for more than a few hundred years? No, no, and no.

This once great nation is faltering in her greatness because she is lacking in her goodness. We, as a society, have allowed a small minority of morally bankrupt individuals to set the national agenda since the turn of the 20th century. And now we find ourselves in a free-fall, ever spiraling downward to a most certain destruction. Friends, we **MUST** return to what's right and good on a personal level. We **MUST** demand a return to what's right and good on a local, state, and national level. We **MUST** return to what made us great or greatness will be forever lost in the wasteland of socialism and humanism.

I challenge you this very day to be honest with yourself; be honest about the condition of your own life as well as the nation as a whole. The first step to fixing the problem is admitting the problem exists. Look at your own commitment to goodness and righteousness; examine your own moral standards and ask from where they come; be willing to admit where you have fallen down and determine to bring an end to it. If you need help, seek out a Bible believing church where the truth of God's Word is the yardstick of moral measurement. You can never go wrong when you submit to the Divine Revelation.

Roger King

The United States can indeed return to the place where Alexis de Tocqueville found her almost two hundred years ago. That is my sincere hope for the country I love; it is my sincere prayer daily. I don't know how long I have left in this life or how long our nation or world has remaining, but I want to be sure to leave a legacy of greatness to my kids and grandkids. So I will strive for goodness and righteousness as long as I live. Will you do your part?

What a great commentary by Matthew Gerwitz!

Chapter 6:

Is America In the Bible?

America, you're telling me that America is not in the bible? No way, my God would not leave out the greatest nation on earth! The line that America is not in the bible has been told to countless millions. I refused to believe that my God would leave out the greatest nation on earth, the nation that took the gospel of Jesus Christ to all of the world, the nation that has been so blessed by God for doing so. I positively refused to believe that America was not there and at this juncture in my life I am putting the final touches on my book on America, which turned out to be a book on the final chapter of America.

I have known for many years the bible alluded to Israel standing alone at Armageddon. My thoughts were if Israel stands alone what happened to America? Well, guess what, America is in the bible and it's defined by the timing of its fall. Yes, America does fall Daniel 12:6-8. I never had a problem believing what it was said you could never know the time of the arrival of Jesus Christ but America in the bible? I knew America had to be there. The most incredible story in this story is in finding America I found the path to the date of the rapture of the church. Amazingly the final fall of America and the rapture of the church are forever linked. The rapture takes place at the end when Americas fall is complete.

As you read this book you will find America was placed in the bible some 2500 years ago together with the date of the

rapture of the church. Right now you are probably having hysterics as you probably have been told all of your life America is not in the bible and you cannot know the day of His arrival. Well hang on long enough to read this book and you will know more about the last 7 years than most prophecy experts. If you will take time right now and go to Daniel 12:4 & 9 you will see this, God the father is speaking to Daniel, and tells Daniel to seal the words till the “time” of the end. Today people are perplexed as they know bad things are happening on an unprecedented scale and nothing is being done to combat these sinful ways of behavior. What most don’t know though is where we are on Gods time clock, we’re close to the end of the age. I found the key to unsealing the 12th chapter of Daniel in 2004 but to find all the parts that are associated it has taken 16 years. There are 6 different scriptures that define or show the involvement of America. First, Daniel 7:4, then Daniel 8:5-8, 12:4 & 6-8, Revelation 14:6-13 & 9:17 and 2 Thessalonians 2:7-8. If you read these scriptures without reading this book you will say no-way but once all of these scriptures are tied together you will see how the Lord covered America and once you are able to see this you will say, I can’t believe it’s that easy to understand!.

The Trump administration has ushered in the start of the last 7 years starting with the Abraham Accords a 7 year agreement between the Muslims and Israel. This was zero day on Gods time clock and was the path to changing the days to dates, found in Daniel 12 and Revelation 11.

One of the greatest parts of this was finding the matrix of Daniel 9:27 and the perfect and completion numbers signifying this finding was authored by God Almighty Himself 2500 years ago. See the chapter on the Matrix.

If you have not received Jesus Christ as your savior I suggest you do so now. Don't wait, the day has arrived that the Lord can send a strong delusion that you will believe the lie that is currently happening before your eyes, there is no God! If you are called by God and fail to go it may be your last chance to accept Christ as your savior. 2 Thessalonians 2:10-11.

To see the proof and the way God the father covered America and the timing go to Chapter 9 God's Time Clock and the Incredible 7's. and God's Time Clock and the Matrix in Chapter 8.

I would also urge you to visit;

www.themysteryoftheages.com or www.thejudgmentofbabylon.com and view the 8 page article on 7's in the bible by; Michael Hoggard it will open your eyes to Gods perfect and completion number the number 7.

"The Mystery of the Ages." God the father told Daniel to seal the words till the time of the end. Daniel chapter 12:4 & 9. What did Daniel seal? You will be amazed.
