## **FORWARD**

The Lord told Daniel to seal the words till the time of the end. What did Daniel seal? And what did the Lord mean by “The time of the end?” Is there a path to the date of the RAPTURE?

This book is about unraveling the end time scriptures found in the books of Daniel, Revelation, Matthew and 2 Thessalonians, where we are in bible prophecy, how much time is left and of the most important, scriptures so many people have overlooked. The information in this book will take you on a tour of these prophecies and show you the timing of noted events that will happen in the last 7 years. You will definitely be astounded as you read about the precise timing of events including the rapture of the church, America and her final days prior to the coming of Christ. This work took years to unravel but once you see how these scriptures fit together you will say gosh why didn't I see that. These prophecies are telling you to be prepared for the coming war, the fall of America, and the date of the rapture. The fall of America and the rapture are forever linked as America was the restrainer that kept an evil world at bay.

The above mentioned event dates were sealed by God the father 2500 years ago when He told Daniel to seal the words (Daniel 12:4 & 9) till the time of the end. These words have now been unsealed. God the father also left a matrix of His perfect and completion number to prove what was unsealed was of His authorship.

In this book the prophecies and story was started with the book of Daniel 12:6-8 and Revelation 14:6-12 but you will see after

reading all the connecting scriptures, that it could have been started from any of the four books mentioned above. The prophecies fit together like hand and glove. Amazing is the fact that these prophecies concerning America were written for the bible by John the revelator around the year AD 95-96, Daniel was written around 530 BC, Matthew was written AD 58-68, and 2 Thessalonians 2 was written by Paul around AD 52.

The information found in these pages proves these prophecies. They cannot be interpreted any other way. This Judgment will happen at the time stated in the prophecies. The information in this book proves this story and is available to all that really want to know the truth. If you really want to know the future you must study these scriptures. (They that understand among the people shall instruct many Daniel 11:33.) In the end-time be an instructor and you will be blessed.

This is a final warning! Daniel 12:4 and 9; But thou O Daniel, shut up the words, and seal the book, even to the time of the end many shall run to and fro and knowledge shall be increased.

This information also proves that God does exist, the bible is correct and is the word of God. We promise this book will astound you.

If you are a Christian you need to know these prophecies and scriptures. The wellbeing of your family deserves as much.

If you are a pastor you must know these prophecies and scriptures.

### **Chapter 1 Choosing the Right Path**

#### **The Judgment of BABYLON/America**

Prophecy is about what is going to happen in the future. Why do I need to know the future? Well, of most importance it might help you choose the right path.

What Daniel wrote 2500 years ago in chapter 12 of the book of Daniel is now coming true and the proof can be seen in the unsealing of Gods words to Daniel. You will be amazed at what was written that you could not see. The calendar for all the end-time events was placed by Daniel, however the calendar was in days not dates. By placing the timing in days the Lord sealed the words till the time of the end which meant there must be a key to the unsealing of the balance of days, a place to start from and a way to change the days into dates. The covering of the last 7 years is precisely what the Lord did to insure no one would know when the end of the era would be until certain events happened.

This story has been waiting to be told for 2500 years. We are within days or months of the last 7 years starting and you need to be prepared for the the greatest event in human history. The return of Jesus Christ. After 20 years of studying the bible I am more sure now than ever that you must have the full armor of God in your presence at all times in these end times. So let's get to work and make sure you are ready for this event and the

calamity that will be forthcoming. If you can understand all of this you will be used in a mighty way (Daniel 11:33) to instruct many that have been taught they would not be here when these things were happening.

This book is to warn all who will read and see the impending dangers we are facing and the time element thereof. If you do not comprehend this, you may be in a situation such as Katrina, the nuclear disaster and flooding of Japan or much worse. You and your family may be in harm's way and not be spiritually prepared for what you will be going through. The scriptures and dates placed in this book come straight from the bible. All scripture is from the King James or Amplified Bibles. I have not twisted scripture in any way. These very important scriptures mean exactly what they say and say exactly what they mean, every jot and tittle has a meaning. The key to finding the meaning of these scriptures concerning America was placing the correct verses together. In each of the scriptures regarding the timing of these events and the Judgment of Babylon/The Fall of America, the timing is paramount to this understanding as you will see in the following pages. You could not find America without the timing and you could not find the timing without finding America.

When we pray at church for someone to be healed, we know that some are healed, and some are not, but normally we can't actually see that happen. However, in my studies of Bible prophecies, my faith has been made much stronger as a result of seeing Bible prophecies come true. You can go to Isaiah 53 and find the prophecies of Jesus' birth and the events that led him to the cross. These prophecies were written 1700 years prior to these events. In Matthew, Mark, Luke, Daniel, Psalms, II Thessalonians and Revelation, you will find what is actually

*The JUDGMENT OF BABYLON*

going to happen in the next few years prior to His return and those prophecies were written some 2500 years ago even as far back as the book of Genesis. He told everyone in His word of His coming and He is telling us now of His return. Most missed His coming the first time! Are you going to miss His return this time? No, but are you going to be ready?

The Lord gave the inhabitants of earth 120 years while Noah was building the ark to mend their wicked ways. Yet only eight made it through the flood. In Genesis 19:24 there are also the cities of Sodom and Gomorra that were destroyed by brimstone and fire. The very proof that these things actually happened, and the fact that the remains of Noah's Ark has been found and the ruins of Sodom and Gomorra are there to testify of these facts. The judgment came because of unprecedented sin. I have been to both of the Sodom and Gomorra sites and embedded in the ash of the ruins are balls of sulfur and brimstone just as the Bible says. You will not find sulfur and brimstone anywhere else in that region.

The reason for the destruction of these cities is found in Romans 1, Leviticus 18:22 and 20:13, and I Kings 14:24. Today and in our time the Lord has given us a 100 plus year warning with the start of the seven trumpet blasts and this is the final warning as we approach the last seven years prior to his return. Have you even thought of the possibility of Trump/Pence as a warning for the last trumpet? With the amount of time left and what I have found in scripture concerning these last years I believe it to be a wake-up call. I believe Trump/Pence is going to lead us to the rapture of the church and is going to keep America from being annihilated in a coming war that most know nothing about. You can already see the signs of that war approaching. The path to the date of that war is in the book of

Daniel chapter 12 verse 6-8, See chapter 12 for timing of events.

In my study of prophecies I found that pastors and prophecy gurus were not talking about America. I was told that America was not in the Bible. Well, an acquaintance of mine, discovered America in the Bible. “One verse”? Well, I just couldn't believe there was only one verse about a country that God has so richly blessed. It was very hard for me to believe that God would not say something about a country that for so many years provided evangelist throughout the world. America, a country founded on Christian biblical principles, a country with so many monuments to God found throughout our land and in our nation's capital. Everyone knew that America was blessed of the Lord but not anymore the so called liberals think they are God. So my study patterns changed, I had to find the nation that God had blessed for so many years there had to be more. My research unlocked some very profound verses. These verses are in the books of Daniel, Revelation, Matthews and II Thessalonians. There are verses in Revelation 9 that depict a war that would have to include America due to the fact America could inflict that amount of damage. This war would also include a country that is capable of amassing an army of two hundred million men which is generally thought to be China. There had to be more! I needed more proof to insure what I was thinking was true. Everyone knows that in this nuclear age there will be another nuclear war at some point as there was in WWII. I'm not thrilled writing about this sad state of affairs but there is a need for you to know.

I had heard for many years prior to my studies that there was an evil one coming who would rule the world and we would be compelled to take his mark in order to buy, sell or even work,

*The JUDGMENT OF BABYLON*

read Revelation chapter 13. This evil one would come in on a "Peace Platform" and would be so smooth, as to deceive, if possible, even the very elect the Christians, Matthew 24:24. This man was to come out of the final European Empire. Everything I have read in the Bible states this and all the prophecy teachers I have studied also state this. So, if this is true, how does all of this happen? I can't tell you all the daily details but I can show you the prophecies that take us there.

America must take a back seat or be removed as the dominating force in the world. America is the restrainer spoken of in 2 Thessalonians 2:7. America has to be removed or in a vastly declining mode for the European Union to be in power at the end. There are too many prophecies pointing in that direction. However, I could not prove that until I found the answer to one prophecy Daniel 12:6-8.

This book is about how to recognize that event and other events that will happen in that seven year period. We are very close to the start of those last seven years. By war or negotiation there will be a treaty for the World Leaders along with the US and Israel to confirm known as the Confirmation of the Covenant, Daniel 9:27. This treaty will start the last seven years and will then be broken three and one half years later with the Judgment of Babylon/the Fall of America. Then yet to come, will be Armageddon at the end of the seven years. This book is a guide to help you find this information in the Bible.

America is going to lose its power, but, if we turn back to God we may not be destroyed. The war that is coming will kill 1/3<sup>rd</sup> of mankind by fire, smoke and brimstone in a very short time as in Revelation 9:13-20. I pray you heed what I say. Jesus is coming back very soon. I wrote this to warn all who are

interested and called to read this book that America is about to have many more serious problems than we face at the present and it would be a very good idea to be spiritually prepared, in tune with our creator, so to speak. I know that many will wonder how I could write this book, *The Fall of America*. I promise you, it was a bittersweet experience. In Revelation 10:9 Jesus told John to take the scroll and eat it and it will make his stomach bitter but his mouth as sweet as honey? In writing about the fall of my country, a country that I love and that so many have given their life for, a country that has been so good to me, makes this a really tough job to do, you want to stop the problem but there seems to be no way to make that happen. It's really tough to know what happens before it happens, but Jesus wanted us to know or he wouldn't have placed these scriptures in the bible. Remember, He said, I tell you these things prior to their happening so that when they do happen, you will know that I am, who I say, I am. My days are filled with the knowledge of what is coming and it is not pleasant to continually think about the devastation that is coming on mankind.

You also know from the conditions of the world today that America has chosen the wrong path by not honoring Gods commandments and it's just a matter of time before we implode and as of this writing the evidence is overwhelming that America is on the wrong track.. The destruction that is coming will also happen to the opponents. This is a warning from God for all to be prepared. On the other hand I know what is at the end of the journey, Jesus is coming back to claim his own. I'm doing my best to be one of them. How about you? I trust and pray that as you read this book, and find that you need to know more basics in order to understand what is written here, that you will do as I did. My mother told me at the age of twelve

*The JUDGMENT OF BABYLON*

when I saw these events unfolding I should get my bible out and read as if my life depended on it. Your eternal life does depend on it! Read your bible get to church, these events are close to culmination. You need to repent of your sins give your life to Jesus and be baptized in Jesus name for the remission of sin by full water immersion. If you do this, you will be ready for whatever comes your way. If you don't you may not be going where you really want to go.

I pray you make the right decision, choose Jesus.

It is your decision be sure your right!

## Chapter 5

### The Matrix of Daniel 9:27

Daniel 9:27 King James Version (KJV)

<sup>27</sup> And he shall **confirm** the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

Step 1. What you don't realize about this scripture is that it is the final seven years. This is telling you he the anti-Christ shall confirm the confirmation of the covenant Genesis 15:18 with many for one week or seven years. KJV says he will confirm, meaning he will be present at the signing? Or that he will be close by? I believe his name will be on the document. We will just have to wait and see. You can bet though that the date on the treaty will be the start of the last 7 years.

Step 2. He will cause the sacrifice and oblation to cease in the midst of the week, 3.5 years, or 1277.5 days after the confirmation being witnessed by the anti-Christ.

This will be the same time as the war that removes 1/3 of mankind. America's power removed, anti-Christ takes over so to speak. He will be in the background and it will take a while for most to know who he is. At this time they will also place the abominations of desolation on the Temple mount which are the troops of the 10 horned beast.

Step 3. By placing the troops of the 10 horned beast on the Temple Mount he will cause the sacrifices to end. Once the covenant is confirmed by world leaders and the anti- Christ the date confirmed starts the last 7 years and exactly 7 years from that date the rapture will take place. This also allows you to count the days to the rest of the events.

### **THE MATRIX of DANIEL 9:27**

What are the words that were sealed in Daniel 12:4 and 12:9?

**ONE THOUSAND TWO HUNDRED SEVENTY SEVEN .

Other words sealed in Daniel 12:6-8 are;

**Power = America and Holy People = Christians**

The # 7 is Gods perfect and completion number and positive proof of Gods authorship.

*The JUDGMENT OF BABYLON*

I have stated many times that God would permit this to be completed only in His time, the time of the end, just as the prophecy says. I found the key to the unlocking what Daniel sealed in the year 2004 but finding the rest of the story took years . God had it right seal the words till the time of the end. We are now approaching the last 7 years.

Trump/Pence or Trumpets could only happen in Gods time, the time of the end. Is Trump/Pence a coincidence? Personally I don't think so, this is a warning to get your life in order and be ready for the rapture. Put on the whole armor of God.

## **Chapter 6**

### **The Confirmation of the Covenant**

The Confirmation of the Covenant is far more than most can imagine. This will be the most talked about confirmation or treaty in history. After 2500 years the Jews will have a Confirmation of the Covenant of Genesis 15:18 or treaty that will state the land they occupy is their rightful land, their homeland, their possession to occupy for at least 7 years as that is what the agreement will be, a 7 year agreement. This agreement will be accepted by the world powers acknowledging Israel's right to the property that God gave to Abraham and his descendants. This agreement will be witnessed by the anti-Christ. We probably won't know who the anti-Christ is though until 3.5 years after the Confirmation or treaty is signed. He causes this treaty to come forth Daniel 9:27.

There is so much more to this Confirmation of the Covenant or treaty than most people can see at first glance, in fact, the C of C is the time clock for the last 7 years, the end of this age and all of the activities alluded to in chapter 12 of Daniel and chapter 11 of the book of revelation.

The date the C of C is signed and witnessed will be the 0 day of the days in the 12<sup>th</sup> chapter and the 11 chapter of Revelation. "See the Time table and the incredible sevens". The acceptance and signing date starts the clock. You will then be able to take the days listed in the book of Daniel chapter 12 and Revelation chapter 11 and count those days from the date of the treaty to find the dates when WW3 starts, the date of the temple

cleansing, the date the 2 prophets are killed, the date the 2 prophets come back to life, the date of the rapture of the church, the date of the wrath of God, when the Anti-Christ proclaims to be God and the date of the new beginning.

You will have a ringside seat to the greatest event in Human history. To get on board you must be a born again baptized Christian. If you are not a Christian chances are you will not believe a word of this so now is the time to start believing and also the time to get prepared. My advice if you're not a Christian is start going to church and get involved in church activities and for sure start studying the bible, give your life to Christ, get baptized and get on board to fly away.

What is the Covenant in question? It is the Covenant God made with Abraham.

In the beginning;

Genesis 15:18 Amplified Bible, Classic Edition (AMPC) <sup>18</sup> *On the same day the Lord made a covenant (promise, pledge) with Abram, saying, To your descendants I have given this land, from the river of Egypt to the great river Euphrates.*

At the ending of the age;

Daniel 9:27 KJV Then he (he being the anti-Christ) shall confirm a covenant with many for one week; But in the middle of the week He shall bring an end to the sacrifice and offering. And on the wing of abominations shall be one who makes desolate, even until the consummation, which is determined, is poured out on the desolate.”

When I started my quest to find America in the bible I had no idea what I was getting myself into. I not only found America

in 4 places but at the same time uncovered the most valued prize of all, “the path to the date of the rapture”, The date of the rapture will be exactly 7 years to the day from the confirmation date. You will also find in this book the matrix of Gods perfect and completion numbers the number 7 that verifies what is written here to be of Gods authorship.

I originally thought Israel would gain this confirmation or treaty by war. It looks as though this will happen by the art of negotiating by President Donald Trump and “The art of the deal”. I believe it’s possible this agreement or treaty could be completed yet this fall of 2017. What an awesome God we serve He knew the days involved 2500 years ago and knows the last 7 years will be very troublesome. He wanted us to know these dates to enable us to carry on and complete any task He may have given us. So many people have been taught they would be raptured prior to the tribulation and they would not have to deal with the adverse reality of the devil rearing his ugly head. Well, so much for their studies. Most pastors have had a distorted view of the last 7 years and it won’t be easy to change their mindset but try we must.

All pastors I have come in contact with have one statement in their minds regarding time telling and it’s the statement Jesus made in Matthew 24: 36 when He said, But, of that day and hour no man knows, no not even the angels, but only my father in heaven. They have failed to see when Jesus said this He was in His humanity and knew only what the father gave Him. God the Father in spirit authored the old Testament prior to Jesus in His humanity. I was quite surprised to find that no one, no one, had checked the old testament. God told Daniel to seal the words to the time of the end and that is precisely what he did Daniel 12:4&9. The timing of the end-time events has always been there. The only sealed missing words, was the time, The

*The JUDGMENT OF BABYLON*

time of the end. For further explanation on the time go to Chapter 12 “The Time Table and The Incredible sevens
