**By Jordan Leitenbauer**  
illustrated by Chad Thompson

*THE FIGHTING JACK*, the first book in the **JORDAN'S FISH TALES** series, was written by 7-year-old Jordan Leitenbauer. This is a delightful story about an Amberjack fish who incorrectly gets the reputation of being a "fighting Jack" after rumors swirl about how he outwitted a bull shark. It addresses the serious issue of bullying in a subtle, lighthearted way. Colorful illustrations and "bubble facts" help bring the story to life.

This book is dedicated to Mr. Don,  
who teaches me to fish.

One day Jack, the Amberjack fish, woke up in his house.

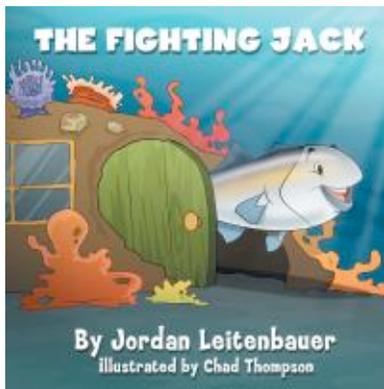

He looked out his front door and saw a large school of fish swim by.

Jack said to himself, “They are swimming really fast. I bet there is something big chasing behind that school of fish.”

### **Bubble Facts:**

There are two main types of Amberjacks: the Lesser Amberjack and the Greater Amberjack
