The background of the entire cover is a dreamlike illustration. It features a person with long brown hair lying on their side, tucked under a brown blanket. Their hands are visible, resting on the blanket. The background behind the person is a swirling, hypnotic pattern of purple and blue, resembling a dream or a deep sleep. The word "Dreams" is written in a large, stylized, purple font across the top of the image.

What if you had a dream...

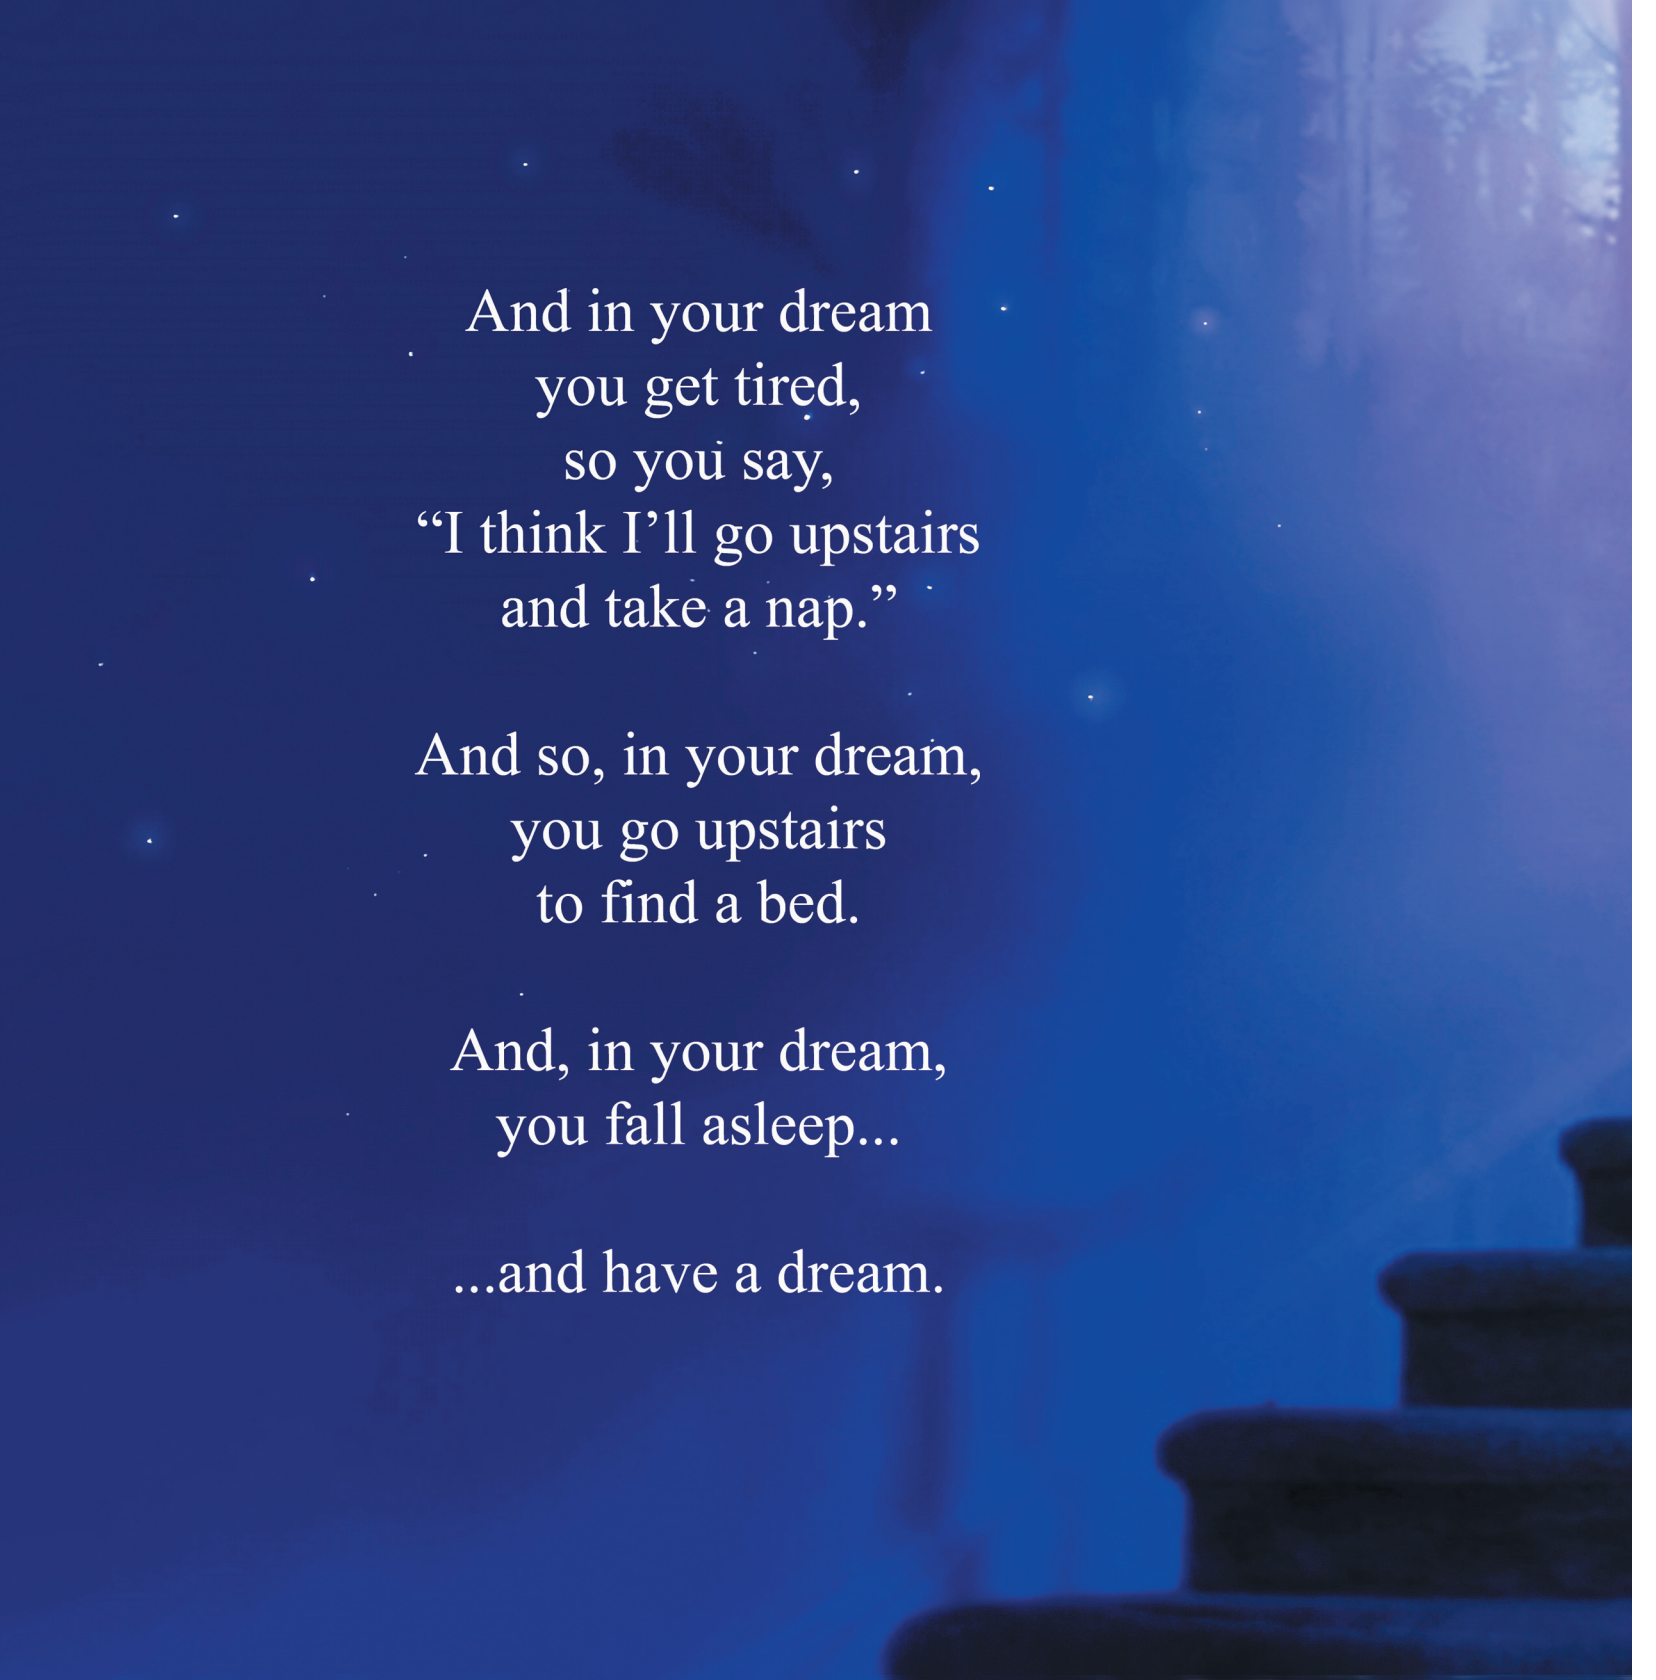

...and in your dream, you're at a friend's house.

A dreamlike illustration of a house at night. The house is a simple, light-colored structure with a prominent arched doorway. Two children are running across a green lawn in front of the house. The lawn is dotted with several trees and bushes. The sky is a deep blue, filled with numerous small, bright stars. The overall scene is peaceful and evocative of a childhood dream.

It's the most wonderful house you have ever seen.  
It has the best places to hide  
and the most exciting places to explore.

And in your dream  
you get tired,  
so you say,  
“I think I’ll go upstairs  
and take a nap.”

And so, in your dream,  
you go upstairs  
to find a bed.

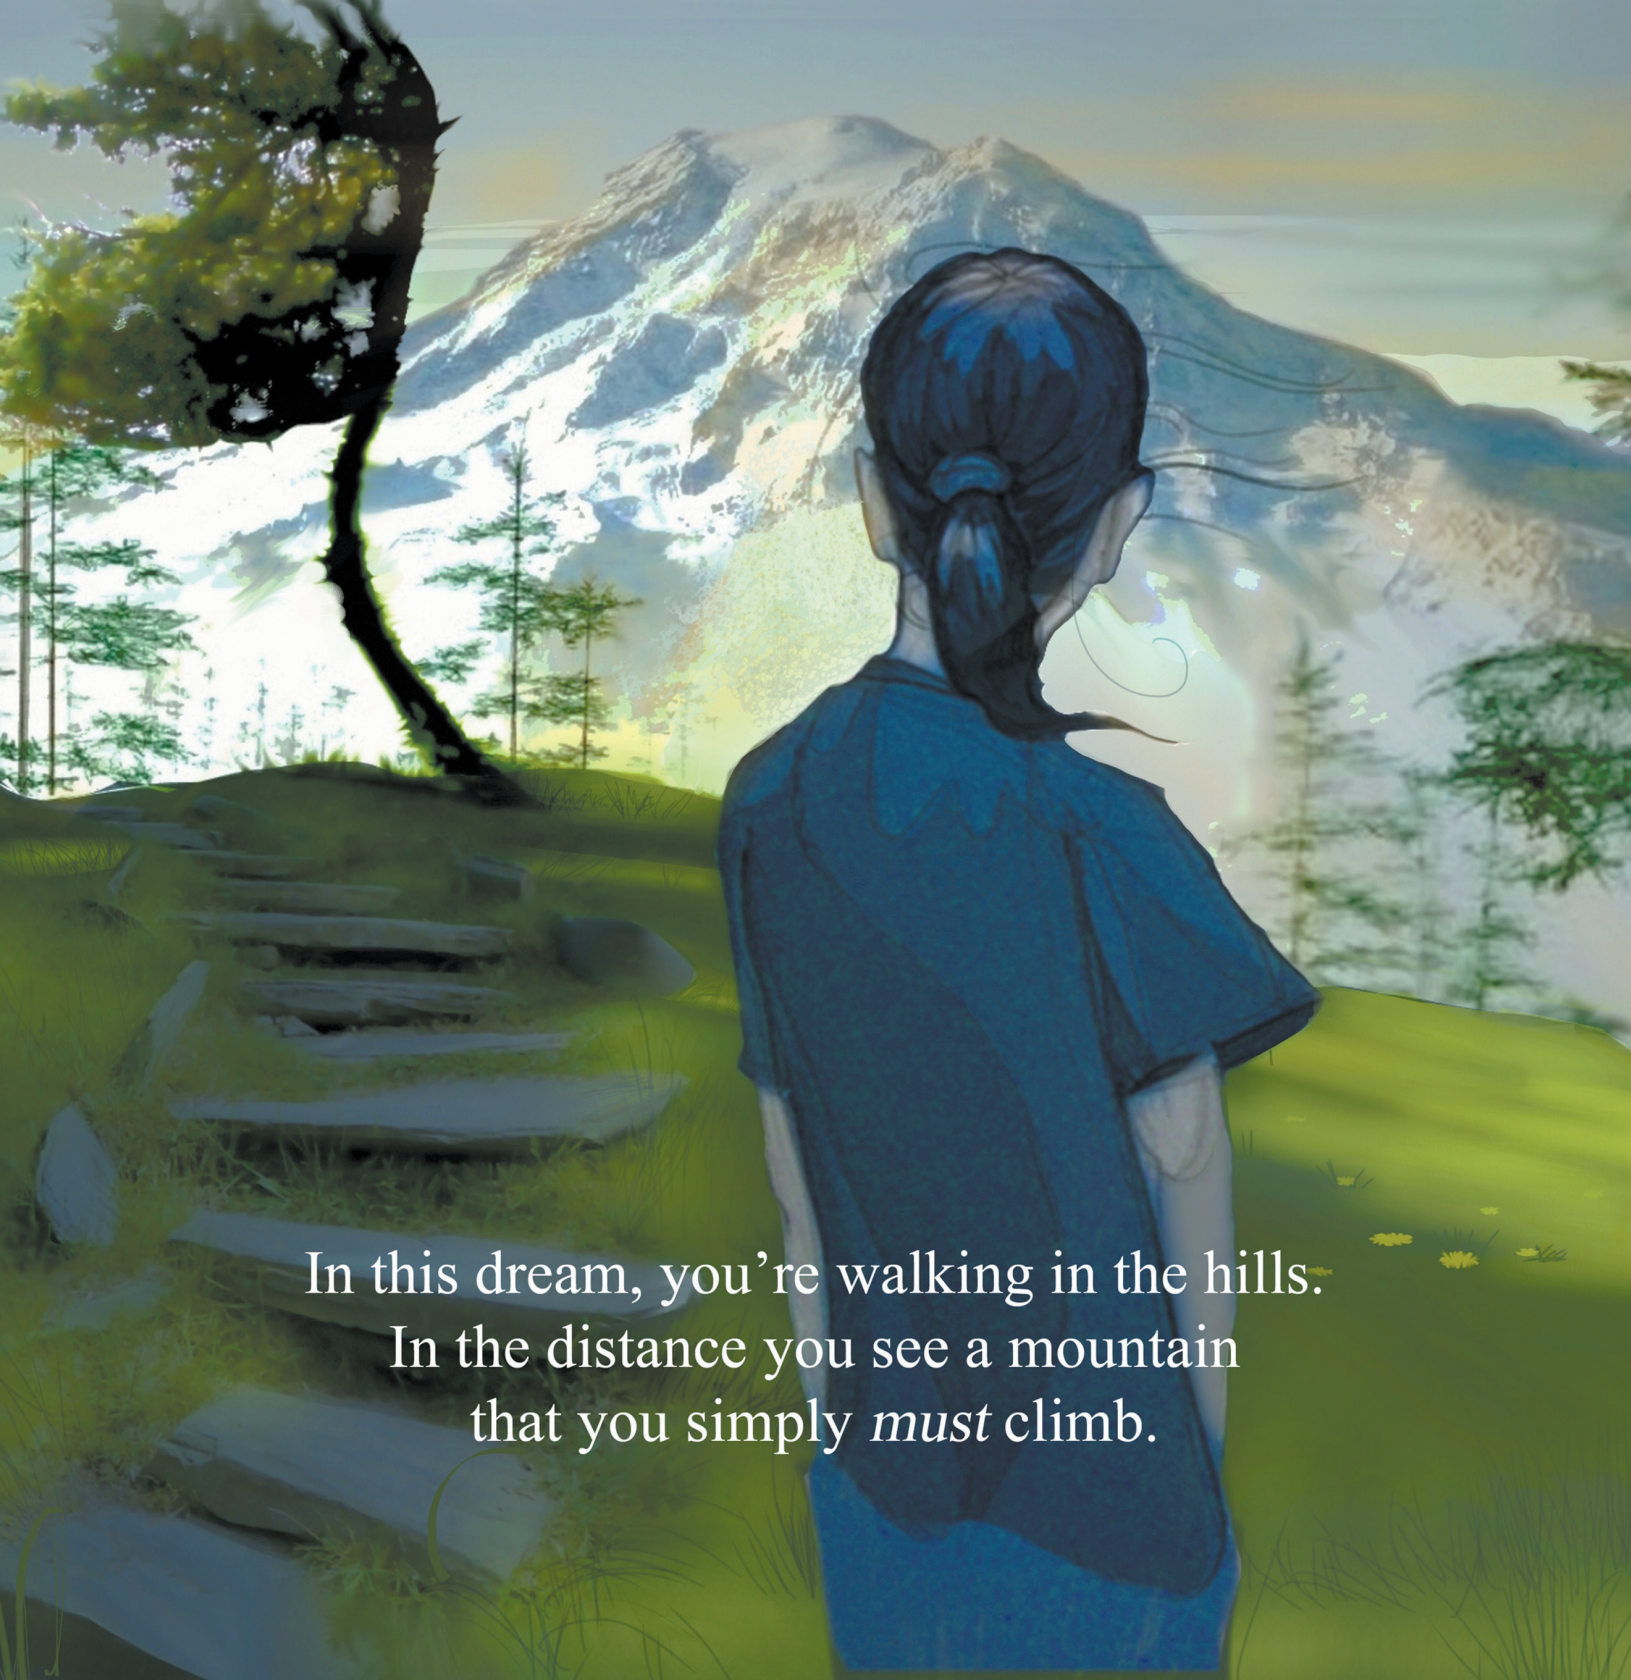

And, in your dream,  
you fall asleep...

...and have a dream.

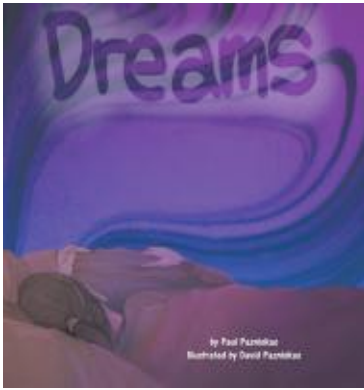

In this dream, you're walking in the hills.  
In the distance you see a mountain  
that you simply *must* climb.

*What if you had a dream about a marvelous place, where you decide to take a nap...and have a wonderful dream...about falling asleep and having a wonderful dream, about falling asleep and...? A journey of dreams within dreams that takes the reader on an extraordinary journey...and safely home again. A gentle adventure that tickles the imagination and carries young readers off to their own pleasant dreams. Ages 5 - 8.*
