I

L'AMOUR (LOVE)

Page 1

Appearing as an unexpected flash of the brightest light
Love is the sun's essence radiating from within
The slow, steady growth of a seed planted long ago...in the soul

- MORNING SUN
- HIM/HER
- CHEMISTRY
- YOU
- JUST ONE NIGHT
- TO KISS YOU IN THE RAIN
- AS MANY STARS AS I CAN SEE
- LOOK TO THE LIGHT
- KISS ME IN THE DARK

II

TWIN SOULS

Page 21

Denial of synchronicities becomes impossible
Seeing fragments of yourself in someone else
You share the knowledge that you have been
brought together for a reason bigger than the both of you

- TWIN FLAMES
- STARS
- AT FIRST TOUCH (EMPATH)
- I'VE SEEN YOU IN MY DREAMS
- DISTANT PARALLEL LINES
- PATHS
- LUNA MOON
- CREATED IN A DREAM
- SHADOW BREAKER
- GOODBYE

III FORBIDDEN DREAMS

Page 43

Attracted by the dark embrace of the night
Thoughts flow freely from the unconscious
Invoking beings who later manifest themselves in our waking lives
Piercing the veil between dreams and reality

- HIM
- DARK DREAMS
- VELVET
- PARASITE OF NIGHT
- ENTWINED
- SWEET SWEET POISON
- FIND ME

IV IMMORTAL BEINGS

Page 59

Angels among us
The Devil to tempt and take
Witches and Vampires
Some are real, some are fake

- FALLEN ANGEL
- ANGEL WINGS
- ANGELS DON'T CRY
- TORTURED ANGEL
- THE SPELL
- METAMORPHOSIS

When love is lost and hurt is deep
Spurned by the rejection of an emotional thief
Unrequited love, only one suffers
Regretting the trust once put in others

Delusions of “what could have been”
A dangerous trance
Long-distance romance never stood a chance
Bleak realizations must be faced
Too many tears have gone to waste

To go inside one’s self to the depths of our being
Are we cursed to see what others aren’t seeing?

- YOU ASK WHY
- YOUR HURT PULLED ME IN
- SILVER BIRD
- I WISH
- MY HEART BURST OPEN
- WHY DO I CRY?
- (I DON’T HAVE) LOVE ENOUGH FOR TWO
- I’LL LOVE YOU TILL I DIE
- A PRAYER OF CONTRITION
- TEARS
- QUIETLY CLOSE THE DOOR
- FLOWERS
- REGRET
- ARE YOU GONNA CRY?
- THE CRY

VI

LA VENGEANCE

Page 99

Karma. Revenge. Anger.
A lover becomes a stranger
My wrath will eventually catch up with you
There's a price to pay for what you say and do!

- BEYOND THE BLEEDING
- SKELETONS
- DON'T LOOK TOO CLOSELY
- MR. VAGUE
- THE MASK
- EGO TRIP
- THERE YOU SIT

VII

LA MORT (DEATH)

Page 115

Hearing the news that someone died
Was it murder or suicide?
Is a broken heart worth dying for?
You could have been so much more
If there are words that need to be said,
say them now, before you're dead!

- BEYOND NOW
- WINTER OF DEATH
- NO ETERNITY
- ONYX TREE
- I.CAN'T.BREATHE.
- GOODBYE CRUEL WORLD
- SCATTER YOUR ASHES

You

**The sun sets slowly
casting a golden light
What is meant to be
has aligned just right**

**The moon's calm countenance
looks down with a smile
Love and understanding
have breached all the miles
A million stars dot the midnight sky
Tonight there is no need to cry**

**So much time and sacrifice
Patience for what would be
Better late than never
It finally came to be**

**The scent of white flowers
permeates the night air
as you gently kiss me
and stroke my hair
Promising you'll always be there**

**With sincere grace
you touch my face
as I melt into your knowing smile
Wipe away my tears
and erase my fears
if only for a while**

**No words needed
Your eyes say it all
You will catch me
if I fall**

SCATTER YOUR ASHES

You said:

*"Scatter my ashes when I'm gone
so part of me can live on
in the places I used to love
I will be watching from above
The water was a friend to me
Ebb and flow
Now leave me be"*

Dying like the waning moon

Gone too fast, gone too soon

We never got to say goodbye

Your memory in each tear I cry

Cause of death was unknown

You lay there as I rang the phone

(Cold as a stone)

Desperately trying to talk to you

Didn't know your life was through

*The last time I saw you
I told you that I cared
You knew you were dying
You must have been so scared
You kept it to yourself
I was not prepared*

*I was the only friend you ever knew
who you let see the real you
We shared our hopes and our fears
Our friendship grew throughout the years

I'll scatter your ashes when you're gone
In my heart your memory lives on*

ANGELS DON'T CRY

As we stand...
Waiting...
The cold wind blows...
I take a deep breath.
The world stops.

I look into the darkness of your eyes.
Is that a glistening tear?
I bury my face in your chest
and with an embrace,
I try to grasp your very soul.
All you can say
is that I've been your angel...

It's time...
As I let go and turn to walk away
it begins to rain.
But angels don't cry...

*Deep poetry and images
describing love, heartbreak,
dreams and death.*
