PREFACE AND VEGGIE CAROLS

In the season of Joy and Happiness, a space module escapes the confines of the Earth and lands on an alien world where strange creatures sing veggie carols! The Earthlings decide to sing their traditional carols first, then they are entertained by the Aliens singing these carols. They had fun!

OREGANO, OREGANO
[TUNE: O CHRISTMAS TREE,
O CHRISTMAS TREE]

Oregano, oregano. It goes so well with
parsley;

Oregano, oregano, it goes so well with sage.

You put it on your pizza crust. It makes
infection bite the dust!

Oregano, oregano! It goes so well with
parsley!

RED-NOSED FRUIT CAKE

[TUNE: RED NOSED REINDEER]

Rudolph the Red-nosed fruitcake, had a lot of nuts and oats.

Then came the fruit and spices, lots of good for all the folks.

All of the other fruit cakes, used to laugh and call him thin.

Saying: "This guy's too healthy, we just won't let him in!"

Then one baking Christmas Eve, Santa came to say: "Give me healthy fruitcake now, then I'll be on my way! Ho!

Veggie Carols and Crazy Carols

All of the other fruitcakes, turned to Rudolph
just to say, “Keep our Old Santa Healthy”
then he’ll be back again someday.”

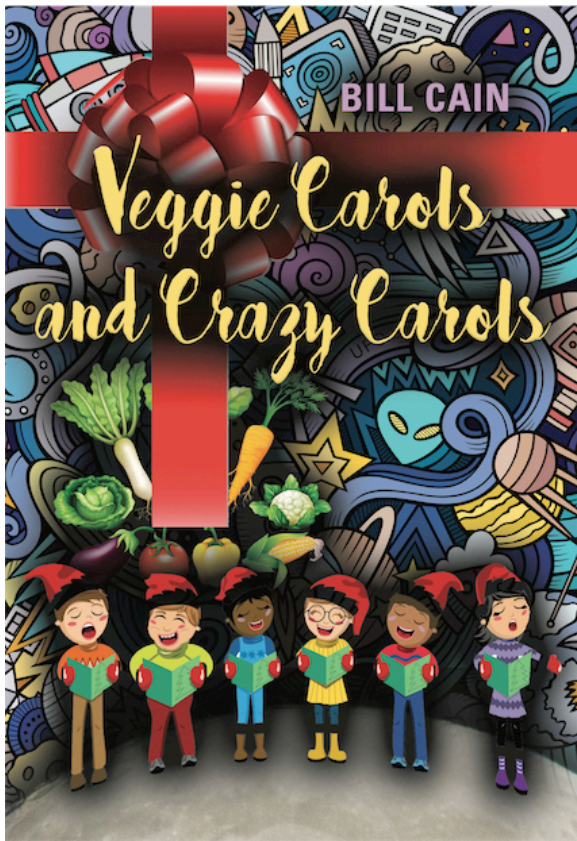

**HERE COMES CINNAMON
[TUNE: HERE COMES
SANTA CLAUS]**

Here comes Cinnamon, here comes
cinnamon, right down cinnamon lane.

Mix it in your cocoa cup and cookies with
whole grain!

Cooks are cooking, stoves are baking, all is
Merry and Bright!

So add a little Cinnamon now, when Santa
Claus comes tonight!

This book takes traditional Christmas carols and tunes, and creatively blends them with new words and adventures. Unexpected ideas abound which are humorously different from the original song version. And they can be hard to sing with a straight face. Be prepared to die laughing!
